Man in Fracas Faces 2 Charges in Madison

Lyle George Porter, 36, of 2216 Sheridan avenue, was charged with assault and resisting arrest about 1:30 a.m. Tuesday following an incident occurring outside a tavern in the 1400 block of Second street where police said his sister, Mrs. Pauline Ropac, 39, of Route 162, was beaten.

Porter was driving away in an auto when police arrived, and he was taken into custody at Sken street and McCambridge avenue. Enroute to the police station, the report states, Porter struck Officer William Papa, who suffered an abrasion to his forehead and an injury to his left wrist.

Andersonville Trial To Be Shown Sunday

"The Andersonville Trial," the first production in the Hollywood Television Theatre series will be telecast at 7:30 p.m. Sunday, May 17, on Channel 9, and will feature Richard Basehart, Buddy Ebsen and William Shatner in Saul Levitt's drama about the trial of Civil War Confederate captain Henry Wirz, played by Basehart, was charged with war crimes involving the death of 14,000 Union prisoners in the notorious Andersonville, Georgia, stockade.

Lewis Freedman, executive producer for the Hollywood Television Theatre project, expects it to become a permanent addition to theatre and to television in America, a showcase for the best talent, available free to all citizens.

Family Counseling Sessions Next Week

An area-wide Family Life Conference is being conducted at First Assembly of God Church, 2401 street and Grand avenue, May 18 through May 22. Guest speaker will be Dr. Richard Dobbins of Akron, Ohio.

Dr. Dobbins, a pastor-counselor, is pastor at Evangel Temple in Akron and is assistant superintendent of the Ohio Assemblies of God. As well as being a member of the Ohio Psychological Association and National Council on Family Relations, Dr. Dobbins is a counseling instructor at the University of Akron.

Parked Car Rifled

A vent window was broken in the auto of Clarence Hoy, 2309 Lynch avenue, Tuesday night when the car was parked on the lot at Tri-Mor Bowl, and a portfolio was stolen.

Nameoki Twp., Levee Board Meet Tonight on Drainage

A meeting of Nameoki township and East Side Levee and Sanitary District officials to find solutions to several critical drainage problems has been set for this evening in the levee board office in Granite City. Nameoki Township Clerk Louis Whittell reported during Monday's town board meeting.

Earlier efforts by the town board to meet with levee district authorities met with no response, although a letter sent by the board emphasized the serious nature of extensive flooding problems in lowland areas of the township during heavy rains.

A major problem is the lack of drainage from Long Lake. At a previous session, board members pointed out the high level of Horseshoe Lake proper on Tuesday. "What Parents Should Know about Children" on Thursday, and "What Parents and Teenagers Should Know about Each Other" on Friday. "Ministers' Dialogue with Dr. Dobbins" will be conducted each morning at 10 a.m. The public is invited to the meetings by Rev. M. A. Groff, pastor of First Assembly.

Residents of the Nightingale court area complained about lack of control by owners of dogs.

A nuisance sign a petition and present it to the state's attorney's office for possible action. Dog owners are liable for ex-

pense for care of an animal that has been impounded.

Allowance Problem
In another opinion by Schooler, read by Whittell, it is stated that mileage fees due Township Highway Commissioner Charles Hanks should be reimbursed on a per mile basis with Hanks to submit detailed mileage claims on a specific form with a certificate signed by the township commissioner.

Supervisor Harry Briggs said Hanks is seeking his own legal opinion from former town attorney Nick Vasefi, who still is legal counsel for the road and bridge fund.

Another difference of opinion between the town auditors and the highway commissioner is over fiscal year periods. The fiscal year for all township funds, except the highway funds, runs March 31 to March 30. The road and bridge and hard road funds are approved by township electors in March and the commissioner closes his books March 15. It was reported, but does not begin use of a new appropriation until September.

Town board members say the highway fiscal year should be the same as the township, but Schooler has said Hanks has legal right to set his department's fiscal year.

Complaints on Ditch
In other business, Hanks reported that Northland and DeLynn drive in Northlands Estates subdivision have been accepted into the road maintenance system. He added that not accepted yet is the Parkway Estates area where a water-filled ditch adjacent to Stratford lane has been the object of complaints.

"A child is going to drown in that ditch," someone in the audience commented. It was asked if a petition to the county zoning board of appeals to halt construction in the area until the ditch is filled and covered "would get action."

Hanks replied if the residents gave him petitions, he would personally deliver them to the township board. The man told me six months ago he wouldn't drive another nail until the ditch was fixed, but I know he is building again," Hanks said.

Another person complained that sewer water is draining into the Stratford lane ditch.

"Deergerous waste have been spotted," Hanks said.

Hanks said, "It is up to the zoning board not to issue the builder any more permits until the situation is corrected."

Complaints on Road
Other complaints dealt with deep ruts in roads in the Bend road area. One man in the audience said he had ruined two tires on his car. Another pointed to lack of drainage at Vine blvd. and d Miracle avenue. Hanks said crews are working there, and that resumption of deliveries of materials by trucks will permit maintenance work to be resumed in the Bend road area.

A resolution was adopted to hire the firm of Ralph Curry, St. Louis, for the annual audit of township funds and to advise the supervisor and staff on township bookkeeping procedures. Whittell said \$1500 was listed in the town fund and \$250 in the road and bridge fund for audit.

"What kind of audit are we going to get for that amount of money?" Supervisor Briggs asked, adding that previous audits cost about \$700. Whittell replied the auditing firm hired last year was unable to provide a complete report from the records made available.

Again the question was raised why township auditors are not permitted to see records pertaining to the township's general assistance fund, and as in earlier meetings, Briggs stated that the names of general assistance recipients must be kept confidential.

Whittell said that in a recent conversation with a downstate supervisor for the Department of Public Aid, the official told the township clerk that all audits regarding the township general assistance fund are turned over to the supervisor. "He told me that what you do with the reports is your own business," Whittell added.

The town clerk also reported that William Ellis, township rabies control officer, has submitted his resignation effective immediately. No new appointment was announced.

Plans Under Way For GC Headstart

Granite City schools, in cooperation with the Madison County Economic Opportunity Commission, and the assistance of the Granite City Housing Authority will provide a summer program of activities for children who will enter kindergarten next fall. This program is entitled Headstart.

Classes will be held at Kirkpatrick Homes Recreation hall, Webster, Washington, Emerson and Logan schools, and are to run from June 15 to July 31. Daily sessions will be held from 8:30 a.m. to noon.

Parents may contact Gary Pfroender, area director for Granite City at Coolidge junior high school, 877-4040, for more information. Any person willing to volunteer for the summer program is asked to contact Pfroender.

Son Arrives for Former Resident

Mr. and Mrs. Russell Dees of Marquette, Mich., are announcing the birth of their first child, a boy, on Tuesday. The infant weighed seven pounds, 14 ounces and has been named Tony Edward.

Mrs. Dees will be remembered as the sister of Judy Rushing, daughter of Mr. and Mrs. Earl Rushing of 2428 Madison avenue.

Parking Meter Struck

An auto driven by Sandra Taylor, 1017 Reynolds street, Madison, struck a parking meter, bending it to the ground, and scraped another meter on the city parking lot at 18th street and Edison avenue on Monday. She said her brakes failed.

insurance matter and look into the amount and type of coverage.

Mayor Kozielek said he was following the practices of the previous administration. Mayor Maers was an expert on insurance and had studied made each year, he said.

A McManaway bill for more than \$1000 on new insurance for the Cable Steel Co. property owned by the city was deleted from the bills and the policy is to be placed by public letting.

Several other McManaway bills were paid.

The council voted half-month salaries of \$400 for Police Chief Frank Durko and \$375 for Capt. Edward Zabotka, who had been appointed as chief by the mayor but has not taken over the chief job.

Expand Sick Leave
The council adopted an ordinance increasing the amount of sick leave for city employees from 30 days to a maximum of 60 days a year. Employees will be credited with 1 1/2 days for each complete month of work. Kistner said he had heard Madison's sick leave provision to be inadequate following a comparison with provisions in surrounding cities.

An ordinance calling for a special election for the office of mayor for the term to expire April 15, 1973, raised stormy protests from Haynes when ward boundaries were described.

Wants Boundary Defined
Haynes insisted that streets be listed in the Fifth Ward boundaries to prevent votes from the North Venice area. He alleged that some Venice residents had signed Kozielek's petitions for mayor.

"The ordinance was tabled until a special meeting set for May 22."

The council approved the appointment of Eldon Rhoads as chief of the fire department to succeed Edward Miller, city controller, who retired as chief following 33 years of service with the department. Miller was gaspainted by the council and audience.

Gas Mains, Resurfacing
A request by Illinois Power Co. to install gas mains at 12th street, Reynolds street and Cambridge avenue and in the alley between Sixth and Seventh streets from Washington avenue was approved. The work is to be done soon, to precede resurfacing of streets in August. A restoration in support of the Save Our Depot Association was adopted.

The mayor was named as the city's disaster fund representative in charge of applications to the Illinois Civil Defense Agency in the event of a disaster.

Area Problems
He cited several reasons for St. Louis' failure to keep pace with the port's lack of a central authority and, although having more than 50 docking facilities, most are privately-owned and are capable of handling a single product. He said dock facilities in St. Louis are generally ill-managed; runaway barges are frequently reported and siltation in the harbor causes problems.

The engineer said cause and solution to siltation currently being studied at the Vicksburg experimental station and commented that the Corps "very interested in providing a 12-foot channel instead of the current nine-foot depth."

Methods by which area businessmen can discover if their product is marketable abroad were discussed by A. J. Koke, an international trade specialist, from the Department of Commerce.

Representatives introduced who were available to respond to questions included Richard Calahan, Mercantile Trust Bank; Frank Lind, Shipper International Service; Capt. John Brown and Paul Ellis, National Marine; William Brown, Bulk Service Corp.; W. W. Roller, American Commercial Barge Line; J. W. Huls, Sioux City-New Orleans Barge Lines; and Matt Klein, Federal Barge Line; Richard Nash and Harold Rind, representing the Furness Witty Co. and Abindon Steamship Line; Les Salem and Bill Rescatteris, Illinois Terminal Railroad; and Frank Stewart and John Hynes of the Illinois Department of Business and Economic Development.

Report on Power Plant
Construction progress at the Baldwin, Ill., electric generating plant of Illinois Power Co. was discussed by James Swift, assistant to the service area manager, at yesterday's weekly Madison Rotary luncheon. He showed photographic slides of the plant, which is to be placed in use this summer. President Richard J. Sues presided.

Blast Furnace Complaint

City Air Board Seeking Conference with GC Steel

Granite City Steel's blast furnace operations will be challenged as a public nuisance at a public conference being called by the Granite City Air Pollution Control Board, headed by James Keehner, Belleville law firm member of the pollution control staff of State Atty. Gen. William Scott.

A date for the public conference will be announced by the local clean air board within a few days.

Keehner, who was present at last night's meeting of the city Air Pollution Control board at the city hall, said he would attend the public conference and would cooperate with the local board and citizens. Corrective measures have been taken in other operations at the plant, he added.

"Is this board powerless?" Mrs. Boyer asked.

Prof. Hoelscher replied that under the current ordinance, based on state law, the board can only request cooperation by industry. He pointed out Union Division and American Steel have carried out steps to upgrade processes beyond state requirements. "This was done at the request of the local board," Hoelscher added.

He also submitted an envelope of flyash which he said was swept from the porch at his home. "This happens every day the wind blows from the south. You know it's from the coke plant; you can smell it and you can taste it."

"This is bad for the people, and it is definitely a nuisance," Fox said.

Henry Bienecki, air board chairman, called upon Prof. Erwin Hoelscher, part-time technical secretary for the city's Air Pollution Control board, to write a letter to Granite City Steel Co. asking for representatives to be present for the conference.

Prof. Hoelscher explained that the blast furnace plant is in compliance with state air pollution laws and the city ordinance which is based on the state controls. He added that state law permits smoke to be emitted from a battery of coke ovens for 20 minutes each hour and that there are three batteries at the blast furnace plant.

Keehner was called upon to explain procedures to be followed. He said cooperation between engineers with data and citizens would be needed for the legal presentation under the public nuisance laws of the state.

He added that his office has found it easier and more flexible to deal with the problem.

Wm. Sherman Named Post 51 Commander

William Sherman, 669 Barkley avenue, Mitchell, a world war II Navy veteran, was elected president of Quad-City Amvets Post 51, last evening. He succeeds Leo Clements, who was named provost marshal.

Sherman previously served as post historian. Installation ceremonies are set for 2 p.m. Sunday, June 28, at the Post Home.

Others elected were Rex Manning, first vice-commander; Ben Sanders, second vice-commander; Charles Williams Jr., third vice-commander; and Adam Petras, finance officer.

It was announced an air conditioning project for the building, and a ten-foot slide will be installed on the clubhouse playground.

Post 51 members agreed to participate in the "Parade of Flags" tribute on Memorial Day, and appointed Clements, delegate to the Amvets state convention, June 18-21 at Mount Vernon. It was also voted to donate a floral tribute to any Quad-City servicemen killed in action in Vietnam.

The local veterans group will host a Fifth Division meeting on Sunday, June 7, Clements reported.

Sanatorium Conversion
The board announced a budget to provide \$35,000 to pay the costs of additional work in converting the county tuberculosis hospital into a nursing home. The TB trustees previously provided \$350,000 for the project.

The sanatorium grounds were annexed to the city of Edwardsville on the petition of the board. County buildings there will be eligible for sewer and other city services.

The board approved appointments of standing committees made by Landolt by a 37 to 5 vote, with dissent by the Wood River township delegation which was limited to one committee-state charity and veterans affairs.

The Wood River group claimed Landolt and the board was unfair to residents of the populous township.

Bubblemasters Plan Club Events for May

Thirty members of the Bubblemasters Scuba Diving Club of Granite City viewed diving films and finalized plans for several events this month during a dinner meeting Tuesday at the Lewis and Clark restaurant, East Alton.

Members agreed to take part in a "float trip" along the Current River in Missouri this weekend and to attend a fish fry, Saturday, May 23, when the Alton Maskers Diving Club will host the local scuba divers.

The later event stems from an annual inter-club contest, after which the winning group is entertained by the losing team.

Two projects planned for Sunday, May 24, are a work party to decorate a float for the Bubblemasters' entry in the Shrine's parade, June 2, and an instruction session on use of a small compressor unit.

New members accepted into the local diving club Tuesday were Don Conway, George Peltett and Bill Prewett.

A collision at Nameoki road and 25th street at 9:30 a.m. yesterday involved auto operated by Virgil Kirksey Jr., 2120 Waterman avenue and Elmer Forcade, 2333 Waterman avenue.

Orchestra, Vocal Concert Set this Evening at GCHS

The Granite City senior high school orchestra under the direction of Miss Linda Lee Beane and advanced mixed chorus under the direction of Raymond C. Voorhees, will present a joint concert this evening at 8 o'clock in the high school auditorium. The two organizations will perform Franz Schubert's Mass in 'C' Major.

The Mass is a form of music and consists generally of the text of the ordinary of the Roman Catholic Mass set to music. Many composers, even those of Protestant faiths, have found this text an interesting one to set to music, Voorhees said.

Tonight's performance is the first event in which the high school orchestra and the vocal department have combined efforts. Both groups have rehearsed intensively and are anticipating the opportunity to perform this work publicly. Soprano soloist will be Debbie Hightower. The public is invited, admission free.

Goldenherb Endorsed For State High Court

The executive committee of the Madison county Democratic Central committee this week endorsed Appellate Judge Joseph H. Goldenherb for the post of a state Supreme Court Justice.

Judge Goldenherb of Belleville is on the bench in the 5th Judicial District at Mt. Vernon. In the current term ending in 1972, the county executive committee met Tuesday in Wood River with Walter Simmons of Venice, chairman and also clerk of the Appellate Court, presiding.

Players' Members Elect

Auditions for 'Gypsy' Continue Today at VFW

The East Bank Players, the area's newest community theatre group, recently held its first annual membership meeting at which officials were selected for the group's initial governing board.

Additionally, the organizers agreed to file papers of incorporation under the general not-for-profit act for social, educational and recreational purposes to produce community theatrical performances. Incorporators were listed as William F. and Mildred B. Hoelscher and Stanley Coleman. Hoelscher was named as registered agent.

The Players have announced that auditions would be held last night and this evening for the group's second production, "Gypsy"—to be staged in September. Tryouts will be conducted from 8:30 to 10 p.m. today at the VFW Post 1300 hall, 2044 Washington avenue.

All Quad-Cityans interested in taking part in the Gypsy production are invited to audition for the show at tonight's session. Mrs. Hoelscher, director said.

The musical, which ran two years on Broadway, features a large cast of 40 adults, children

and teenagers. Auditions have been arranged for the early date to permit rehearsals to start before the usual summer vacation schedules of those planning to be in the show, Mrs. Hoelscher explained.

"Gypsy" will be staged by the East Bank Players on Sept. 10, 11 and 12 in the VFW club. The musical will be performed in the round, with beverages served before the show and during intermission. The Players' initial production, "Guys and Dolls" presented in a modified cabaret setting at the Granite City Elks Club in March, proved highly successful.

Based on the early life of Gypsy Rose Lee, the musical's original Broadway cast starred Ethel Merman in the role of "Rose." Gypsy's stage-struck, ambitious mother whose activities to launch her two young daughters, June Haver and Gypsy Rose Lee, on the road to stardom provide the story's main theme.

The score includes such songs as "Everything's Coming Up Roses," "Let Me Entertain You," "Small World," "Some People" and "You'll Never Get Away from Me."

Casting the show requires six teenage girls and four teenage boys; six small boys and four small girls, nine to 12 years; 11 men's speaking parts with some singing; six leading female roles and two female speaking roles, Mrs. Hoelscher said.

East Bank Players recently elected to the first board of directors included June Branding, Stanley Coleman, Ted Elterman, Dennis Hogan, Ruth and Henry Lamb, Norma Mendoza, Ron Matson, Diane Nocheff, John Payne, Ray Peradotti and Leo Roman.

Officers named were Mrs. Hoelscher, director, William F. Hoelscher, producer, and Mer-

Bill Introduced to Prohibit Out-of-State Dumping

A bill to prohibit out-of-state refuse disposal in Illinois—geared particularly for the Chouteau Island landfill operation—was introduced Tuesday in the state senate by Senator Merrill Ottwein (R-Edwardsville).

The senator said that although the Chouteau Island landfill operation primarily involved the residents of Madison county, "more and more citizens have become aware that the front door of Illinois was being marred by a marginally-operated landfill."

This landfill, Ottwein added, has been the object of complaints for several years. "The operation receives the bulk of its refuse from Missouri and this, state authorities advise, is

one of the reasons it is difficult to maintain the area property."

The bill would permit continued disposal of Illinois area refuse, but it is believed better maintenance operations could be carried out with a lowered volume of debris.

Many citizens of Madison county have complained about the appearance and health problems, especially since the unsightly area is adjacent to an interstate highway bridge," the senator added.

VFW Post, Auxiliary To Install Saturday

The annual installation dinner for new officials of Veterans of Foreign Wars, Post 1300 and Auxiliary, will take place at 6:30 p.m. Saturday at the VFW post home, 2044 Washington avenue.

Top officers to be installed are Frank Costello, Post commander, and Mrs. Margaret (Peggy) Jones, auxiliary president. All new officials are reminded to report to the hall promptly at 6:30 p.m., Mrs. Jones said today.

Dancing to the music of the Eddie Jay band will follow the installation and meal.

Father Given Custody

Robert Mathenia of Granite City, who was divorced by his wife, Anna Mathenia, in Madison county circuit court, was awarded custody of one of four children, Rhonda, 13, rather than as reported in Monday's edition. The couple was married Dec. 31, 1961, in Granite City. Court records listed a Wood River address for the father.

Nameoki Church To Observe 20th Year on May 24

Rev. E. M. Dycus and four former pastors of the Nameoki United Methodist Church, Pontoon road at Primrose avenue, will be guests at the church observance its 20th anniversary Sunday, May 24.

Rev. Dycus was pastor of Niedringhaus Methodist Church at the time the Nameoki church was organized. He later became district superintendent and currently is director of the Methodist Home at Lawrenceville, Ill.

The day's activities will begin with the church school at 8:30 a.m., followed by the 10:45 morning worship service at which Rev. Dycus will speak. Rev. William D. Fester has been pastor of the church since January 1968.

Members of the congregation will renew their acquaintance with former pastors at a churchwide pot-luck dinner in the fellowship hall at 5 p.m. Rev. Stephen Phillips served here in 1950-52, Rev. Leroy Pittman 1952-56, Rev. Billy G. Hahn 1956-62 and Rev. Frank Pierce 1962-67.

The former pastors will reminisce briefly in presenting talks during a gathering in the church at 6:30 p.m.

Honor Charter Members

A highlight of the morning service will be recognition of charter members, who originally numbered 108. Despite some deaths and moves, a large percentage of the 108 will be present. Present membership of the church is approximately 500.

Also featured May 24 will be the congregational singing and special music by the church choir. The congregation originally began meeting in the fall of 1949 at the home of William Kirkner. It later met at the Nameoki Old Fellows lodge on Chouteau road.

The present educational building served as the next location, and the main portion of the church was then constructed, providing a brick church structure with classroom wing.

The church was chartered on Feb. 17, 1950.

Historical pictures are being assembled for a display at the church, and a photograph of the former Nameoki IOOF lodge still is being sought. Anyone with such a picture is being asked to loan it for the display. The history of the church also will be traced in a booklet which will be distributed at the anniversary observance.

Disturbances Reported In Venice Lee Park

Venice police were notified about 8 p.m. Tuesday that a gang of about 15 boys had demolished a bicycle and attempted to steal street shoes from boys playing baseball in Lee Park.

The incident broke up the ball game for the evening, and police were asked to patrol the park in the evening, as possible such disturbances have occurred in the past week.

Vocational Schooling Explained to Club

Vocational programs at the Granite City high school from 1917 to the present time were outlined by M. A. Wittevrangel, administrative assistant for vocational and adult education at the Granite City Rotary Club luncheon meeting Tuesday at the YMCA. He said that in 1917 the Smith Hughes Act made federal funds available for vocational programs but also put strict guidelines on the program. Then, in the 1950's, amendments to laws for federal aid made the program more useful, dividing it into three sections for the disadvantaged, handicapped and for co-operative education.

Beginning this year, schools receiving aid have to present a five-year plan for vocational programs. A committee of 30 citizens from all walks of life were appointed to submit a plan for the program to the board of education. With approval, the project with new directions is geared to offer opportunity to the three sections.

Wittevrangel said the entire program includes consideration for both boys and girls, potential dropouts and counseling for the young.

Using a new approach to the overall program, Wittevrangel stated, the plan is to present a work-oriented thinking process to the youngsters in the lower grades and to prepare them for the idea of education with a job included and not just the idea of going to higher education.

Chapman Elected to Society of Barristers

A local attorney, Morris B. Chapman, has been notified of his election to the International Society of Barristers, The honorary society, dedicated to the enlightenment of trial lawyers throughout the world, extends its membership solely by invitation. Membership is restricted to lawyers having the highest legal rating by the National Lawyers Publication, and who have shown outstanding trial ability. Chapman was one of six Illinois lawyers granted membership in the Society.

Smith to Seek \$350,000 for Area Drainage

Sen. Ralph T. Smith, (R., Ill.), next Monday will appear before the Senate Appropriations Subcommittee on Public Works to request funds for Illinois public works projects.

His testimony will include support of improvements for control of interior flooding in Madison and St. Clair counties, along the east bank of the Mississippi River between 175 and 185 above the mouth of the Ohio River, authorized by the Flood Control Act of 1965.

"The area contains 96,000 acres of bottomland and receives runoff from an additional 50,000 acres of adjacent hill land. It is a highly developed area with the major portion devoted to industrial, commercial and residential usage, and the remainder in agriculture," Smith will testify.

"The plan of improvement provides for channel improvements, diversion ditches, detention areas, a pump-out on Little Canteen Creek and a pumping plant to reduce damages from interior flooding; \$350,000 is included in the fiscal 1970-71 budget for this project for advance engineering and design."

Urges \$1 Million for Dam
Smith also will urge appropriations totaling \$2 million for two projects in his home town of Alton.

He believes \$1.5 million is needed for construction of a federal building in Alton and \$1 million for Alton Lock and Dam 26.

The Alton city hall is being used for federal court activities because suitable facilities were not available. There are no facilities for the U.S. attorney and the marshal. The House Appropriations Committee has earmarked \$1.5 million for the project and Smith wants the Senate Appropriations Committee to retain that total in the appropriation bill.

Smith reports the new budget includes \$200,000 for the Alton lock and dam project, but he says the Corps of Engineers feels it is necessary to relocate the lock and dam due to poor foundation conditions which would prohibit rebuilding or making major modifications on the present site.

Charles McGee, 72, Dies; Ill 11 Years

Charles E. McGee, 72, of 2725 Grand avenue, a lifelong resident of the Quad-Cities, died at 7:30 a.m. this morning at St. Elizabeth Hospital where he had been a patient for three days. He had been in ill health for the past 11 years.

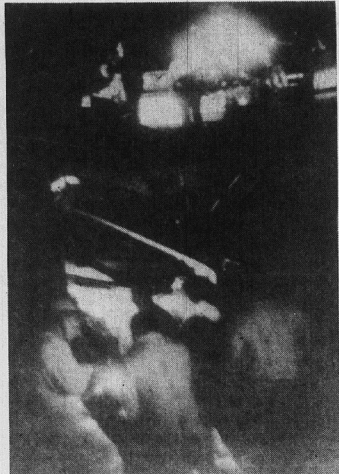

Mr. McGee, is a retired conductor for the Illinois Terminal Railroad and was employed there for 15 years. He was born in Venice and lived in Granite City for 41 years.

He was a member of Sacred Heart Catholic Church. Surviving are his wife, Loretta; one daughter, Mrs. Dan McGee of Venice; and four grandchildren.

Funeral arrangements are given in today's obituary column.

Chamber Board Urges Retention of Depot

The Tri-Cities Chamber of Commerce board Tuesday night adopted a resolution citing the economic impact of the scheduled closing of the Army Depot on the local region and on affected families.

The board favored retention of the Depot. If this is not possible, it called for use of as much of the base as possible by other federal agencies.

Earlier in the meeting, held at Sunset Hill Holiday Inn, Col. Charles E. Hoskin III, executive vice-president of the Save Our Depot Association, reviewed activities and objectives of the group.

Howard Kaseberg, chairman, called attention to the annual Chamber agriculture banquet tonight at the Sunset Hills Country club. Manager Howard Coult discussed the annual Chamber membership drive, which will begin with a luncheon May 20; John Bellcoff is chairman.

President Albert H. Froemling and G. H. Sternberg sr. reviewed the 1970-71 S. Chamber convention and Sternberg discussed the proposed federal welfare law. Flags for use during observance of the 75th anniversary of the city of Granite City in 1971 were discussed.

L. W. Branscomb was approved as a Chamber member. Reports were given by Treasurer Barry Loman on finance, Jack Ewart on citizenship, and Henry Gabriel on downtown renewal.

It was announced that Dr. Nicholas Nyrdi, director of the Bradley University School of International Studies, will speak at the annual Tri-Cities Chamber meeting Oct. 29 at SIU-SW.

Cancer Drive Chairman

Mrs. Margaret Lee of Venice and Mrs. Gisela Golt of Madison are in charge of the cancer fund campaigns in their cities. It was announced by Mrs. Janet Partney of Granite City, campaign chairman.

1-Day Work Stoppage At Blast Furnace

A wildcat work stoppage by about 800 workers at the blast furnace plant of Granite City Steel Co. on Tuesday ended with the midnight shift that day. The stoppage was over reprimands given four employees. It was reported.

No picket lines were set up at the plant, and workers at the steel mill remained on their jobs.

A company spokesman said the dispute arose Monday night when four men on a five-man crew refused to work one man short and were reprimanded. Other workers walked off and the Tuesday shift workers did not show up.

Officials of Chemical Workers Local 50, which represents most employees at the plant, could not be reached for comment. The grievance now is in the process of being resolved, it was learned.

Kozielek Holds Two 'In the Home' Meetings

Acting Mayor Raymond Kozielek conducted two "In the Home" sessions this week as a continuation of a planned program on home sessions arranged by Mrs. Valerie Graywacz and Mrs. Kathy Goclan, coordinators for the project.

Candidate Kozielek spoke Monday in the home of Mr. and Mrs. Stanley Banaszak, 1012 Alton avenue, with 10 persons present, and Wednesday night in the home of Mr. and Mrs. Stanley Galt of 1812 Market street, attended by 15 residents. Mrs. Graywacz said the home meetings will continue with two each week until the mayor election on July 28.

Belleme to Play Here Saturday and Mercer Here Sunday

Merced will host Collinsville at Wilson Park, Belleme will visit East Alton and Maryville will be at Highland in Inter-city League baseball Sunday at 2:30 p.m.

Last Sunday, East Alton beat Maryville to put the two teams in a tie for first with 3-1 records. Other games were rained out. Merced holds a 2-1 record, Collinsville and Highland are each 1-2 and Belleme is 0-3.

Merced will be trying to reverse its 1-1 loss in the season opener, when Collinsville scored eight runs in the third inning. Belleme will attempt to reverse its opening 9-3 loss to the Machinists. In that contest, Belleme gave up only a 9-8 hitting edge.

Averaging eight hits per game, Belleme has been capable in the batting department, led by Nick Jakich's .500 average. Steve Conway has been strong on the mound but lacks bullpen backing.

Manager Ralph Richter of Belleme looks forward to the summer return from college of pitchers Ron Laws and Ken Gehring.

Richter has set up a 21-game Saturday exhibition schedule. This Saturday at 2 p.m., the North Side Yanks of St. Louis county will play Belleme at Wilson Park.

Baseball Cougars Finally Lose, 5-2

Arkansas State won in baseball at SIU-SW 5-2 Monday, ending the Cougars' 17-game winning streak and snapping Granite City pitcher Don Rains' scoreless string at 28 innings.

Rains took the loss and was relieved by another Granite Cityan, Bruce Thompson, who gave up no hits or runs for the final 9½ innings.

Junior varsity Cougars bowed 10-3 to the Belleville Area Junior College Tuesday at SIU-SW.

Speedway Homecoming For Perkins Tomorrow

Ronny Perkins is coming home to the Tri-City Speedway to race regularly, starting Friday. Races begin at 8:30 p.m. and time trials at 7:30.

Granite Cityan who Spalding made his return to regular driving at the local track at the opener last Friday, winning the feature race.

Unlike Spalding, who was born and reared in Granite City, Perkins was neither born nor grew up here. Auto racing manuals list his home as Granite City because Perkins happily names this city as his home.

Perkins began competitive driving at 16 years of age with special permits and permission from his father. In 1968, he was "rookie of the year" of the International Motor Contest Association (IMCA), the oldest car association in America, sanctioning racing in 47 states.

Blundy was the second fastest qualifier at the Little 500 and is the IMCA supermodified sprint car points leader.

Spalding will be back Friday along with the other top five feature placers of last week: Bill Ute, Dick Sutcliffe, Flee Aitchison and Chuck Weyant. The Capitol Racing Association's May 9 program at Jefferson City, Mo., was rained out.

Weyant, who finished fifth here last week, is among the top ten in the U. S. Auto Club's midwesters' point standings. Home though he currently lives in Bettendorf.

Quad-Cityans can claim Perkins and his excellent driving record, but as much pride as he claims the Quad-Cities. After all, "Home is where the heart is," he says.

His parents, Mr. and Mrs. Bobby Perkins, live here on Madison avenue. Ronny's car "lives" in Madison.

Track Victory for MHS at Waterloo

Madison won 84-47 at Waterloo's cinder track Monday.

Trojan placers: 100, Edward Chandler 1st 10.2, George Trus 2nd 12.3, James Youngblood 3rd 24.3, Trus 2nd 4.6, Tecumseh Holmes 1st 5.6, Robert Pryor 3rd 8.8, Bill Foster 1st mile, Kevin Jackson 1st for 3rd 5:10.4.

Rally Decisive in Southern Softball

W & W Confectionery beat Merced Ambulance 9-8, Miles Laboratoris beat Bob's Bait Shop 5-1 and Jacobmeyer Rebels beat Clark's Hardfacing 4-4 Tuesday in Southern Classic League softball at Worthen Park.

W & W rallied for six runs in the sixth, Harry Gotes and Rick Thompson each collected three hits.

Miles, though taking only a 10-9 hitting edge, held Bob's to one run in the last frame. Kent Taylor paced Jacobmeyer with two singles and a double.

25 Hits Enough in Midtown Triumph

Midtown Pharmacy garnered 25 hits to roll past Panther Cove 20-5, Jacobmeyer beat Tony & Joe's 4-3 and Hooks beat the Quad-City A's 7-4 in Junior Pools-55 and Over slow pitch softball Monday at Wilson Park.

Dick Stanton powered a home run and two satellites to pace the Midtown sluggers. Rudy Dick and Art Menendez added four hits apiece and Clarence Jones and Art Borchers each collected three hits.

Grigsby Averages 11-1 Contest, 11-0

Grigsby baseballers handed an 11-0 defeat to Belleville East freshmen here Tuesday. Earlier, Belleville East had beaten the Gators 11-1.

Tim Spiker hurled the three-hit win, fanning five and walking none.

Randy Sturdevant gave Spiker four-for-four batting support, including two doubles. Walt Reinhardt, Dick Lynch and Dennis Regan had two hits apiece and Regan was credited with four RBIs.

Monday's Grigsby at Edwarsville game was not played.

23rd Golf Victory

Cougars defeated Washington University in golf Tuesday 14½-3½ at Sunset Hills. SIU-SW now has a 23-4 record.

By Press-Record Staff Photographer
The Granite City high school tennis team tied for the championships of both the district tournament and the Southwestern Conference, left to right: Charles Libby, a u.n.c. Parrish, Mike Loftus, Mike Gaines and Richard Gaines. Second row: Manager John Hornberg, Dave Pieper, Bill Reader, Kevin McIlroy, Robert Parnley, Joe Papes and Coach Dick Harmon.

GC HS Not Win Nets League Title Tie

GC HS ended the regular season tying for the Southwestern Conference championship with Belleville West by shutting out the Tigers 5-0 yesterday at Edwarsville.

Both the Warriors and Maroons won one meet from the other and were otherwise undefeated in the league.

Edwarsville put runners on base in every inning. Hurter Jeff Boyles and key fielding plays prevented the Tigers from scoring until the final inning. Boyles fanned six and walked seven. Ed Hagnauer and Ron Simpson relieved in the final inning.

Seven Trojan Errors
Collinsville collected seven unearned runs off seven MHS errors. The Kahoks scored in the second, six times in the third and once each in the fourth, fifth and sixth.

Courtney Prothro took the Trojan mound for the first three frames. Phil Davis relieved for two innings and Jake Harmon finished.

Bob Scott singled in the fourth for MHS. Prothro walked and Davis forced him, Scott going to third and scoring on a grounder. James Gardner reached base on an error in the fifth and Scott and Prothro singled to drive him home.

In the sixth, Davis walked. Charles Pogorelec doubled to score. Other business included an RBI single and Glen Jackson pinch-hit a grounder to first that enabled a run to score.

All-Sports Honors At Stake for GC HS In Southwest Track

The GC HS track team will compete tomorrow in the Southwestern Conference meet at East St. Louis.

Alton is favored and East St. Louis is rated second. The Warriors should be solid challengers. Strength also should be shown by Belleville West and Edwarsville; Collinsville and Wood River also will compete.

GC HS has six state qualifiers—Dan Burris, Ken Eliff, Mike Allen, Jim McDuffie, Don Smith and Dennis Gillie.

Belleville West and Granite City will be contending for the all-sports league trophy. This week, the Maroons and Warriors tied for the top tennis title. Belleville West took first in baseball and GC HS and Edwarsville tied for second.

In all-sports points, Belleville West has accumulated 41 and GC HS 38. If GC HS is to overtake the Maroons for all-athletics honors, it must finish four places higher than Belleville West in the track meet. The Warriors can tie for the all-sports trophy by finishing three places higher.

Roxana, Madison Top Favorites in Midwest Track Meet

The Midwestern Conference track meet will be held at Roxana tomorrow beginning at 4 p.m.

Roxana, the most consistent winner through the season, will be everybody's target to beat and Madison is the next strongest. MHS finished 1½ team points behind the Shells at the Cahokia invitational and tied with Roxana at the Alton district meet.

Triad also could challenge. Other entries are Cougs, Bethalto and Highland.

George Tyus, Edwarsville Chandler, Jerry Mosby, Don Turner, Tecumseh Holmes, Joe Willie Jenkins, Robert Pryor, Vann Ford and Dennis Hampton are expected to carry big loads in the MHS effort.

Coolidge Repeats As Track Champion

Coolidge successfully defended its Granite City junior high track championship at 11:30 GC HS stadium Wednesday.

Coolidge won the ninth and eleventh grade divisions and Grigsby beat Coolidge in the seventh grade division by nine points.

A total of 251 athletes competed, representing Granite City's four junior highs.

Ninth grade team totals:
Coolidge 76½, Grigsby 70 and Prather 40. Eighth grade: Coolidge 92, Central 50, Grigsby 20 and Prather 25.

Brad Hiles of Coolidge undefeated in the shot put all season, won with a meet record of 52.6. He also won the discus throw.

Grigsby's Rich Schooley broke the meet ten-burles record of Mike Allen in 15.6.

Pole vaulters Dave Macios of the Gators and Roger Robb of the Braves both vaulted 104½ Macios placed first.

Other sharp marks were turned in by Grigsby's Clay Vinfield (880, 2:10.1) and Willie Arnold (220, 24.9) and Coolidge's Howard Bryant (mile, 4:54.0) and Chuck Hause (440, 56.8).

Annual Dinner of Boosters Tuesday

Keith Parker, head football and track coach at Coolidge junior high school, will be the keynote speaker at the annual installation dinner of the Boosters of the Fighting Warriors at 7 p.m. Tuesday in the Wilson Park rink pavilion.

Bob Patrick, arrangements chairman, and the dinner will be open to all persons interested in Booster activities. Tickets, at \$2.75, may be obtained by calling Keith Patrick at 931-8896.

The adult organization was formed six years ago to support athletic programs at Granite City high school. Coaches in the local school system are to attend the dinner.

Area Duck, Goose Hunters Organize

About 70 duck and goose hunters of this area have joined in an effort to oppose relocation of public hunt blinds. Their first official meeting since receiving a charter as Migratory Waterfowl Hunters will be at 2:30 p.m. Sunday at the Eagles Lodge, 428 East Broadway, Alton.

Area hunters are being invited to attend. Dues are \$10 per year. Other business presented includes a review of the by-laws, planning of programs and a 30-minute film.

The group seeks to promote general waterfowl conservation, including installing duck nesting boxes. A mallard program is in the offing.

Heroic Hitting by Heroes Decisive

Hagop's Heroes clipped Cardinal Tavern's leaders, amassing a 17-0 hitting edge and taking advantage of ten Cardinal errors to win 10-5. Bricklayers beat the 10-6 and Jeanne's French Quarter lost by forfeit from the Eagles in other Western Classic softball at Worthen Park Monday.

Joe Biddi chipped in with four hits and Eddie Anadorian and Randy Hayes had three each for Hagop's.

Umpires Will Meet

Boys' baseball umpires who attended the Granite City park district clinic will meet at 7 o'clock tonight at the Wilson Park ice rink to receive instruction in general procedures and ground rules and umpiring assignments for the first two weeks of play, which will begin Monday.

SIU-SW Nurse Faculty-Student Baseball Game

The SIU-SW nursing faculty has been challenged by its seniors. It isn't the faculty's seniors that's at stake—just its ability to play baseball.

Thirty-five seniors—including one nun and two male students—have signed up to play, according to Prof. Lucille McClelland, dean of the Nursing Division. The event is scheduled for Friday at 1 p.m. on the practice soccer field, located on Post and Bluff roads. Every one is invited.

Junior High Baseball Tournament Scheduled

Granite City junior high baseball teams will play a round-robin tournament Monday through Wednesday at the GC HS sophomore diamond at Wilson Park at 4 p.m. daily.

If a school wins two games, it becomes the junior high champion. On Monday, it will be Prather vs. Grigsby; Tuesday, Grigsby vs. Coolidge; Wednesday, Coolidge vs. Prather.

Mitchell

Mar has been serving as acting superintendent since the death of Marion Groshing in January. Mitchell succeeds William Ohlendorf Jr., board president the past 11 years and a Venice park commissioner for 23 years, who resigned from the board at Wednesday's meeting. Appointment of a full commissioner to fill the vacancy until next April is expected at a future meeting.

The new board president, a lifelong resident of Venice, was elected to his second year term on the board in 1969. He has been employed as a switchman for the GM&O Railroad in Venice for the past 32 years.

Mitchell is a graduate of Venice high school and a member of the Venice Methodist Church where he serves as trustee and a member of the administrative board. He also holds membership in the Venice Lion's Club and the Venice City Club. Ohlendorf was first elected to the Venice park board in 1947 and was named president in November 1969, an office he has continued to hold since that time. His current six-year term expires in April 1971.

Elected vice-president, the office previously held by Mitchell, was Clifford Cavan. Reappointed by the board for 1970-71 were Harry E. Hartman as park district attorney and LeRoy D. Kutz as board secretary. Routine business occupied board members for the remainder of the meeting.

ignore the principles of academic discipline and academic responsibility. Some of the demonstrators expressed fear this week of a backlash beginning to take place with reports of formation of vigilante groups on the campus and in Edwardsville.

Sheriff George Musso today expressed opposition to such groups, stating that vigilantes "take the law in their own hands." This could lead to further disturbances, he said.

A sheriff's reserve organization is being organized to help the county Civil Defense building had nothing to do with the campus situation, the sheriff said. About 80 persons were on hand to form an Edwardsville reserve branch to assist Civil Defense in event of disaster or similar needs.

The faculty senate is to meet soon on nine demands made by the protesters. The senate supported the following positions:

Re-evaluation of federally sponsored programs; investigation of coercive and retaliatory activities against students and faculty involved in the disturbances; determine the status of students remaining absent from classes the rest of the quarter; establish studies in racism, war and violence; permit campus police to carry firearms only when necessary.

Provide meeting space for newly formed groups; condemn formation of groups with the purpose of intimidation of the community; hold an all-university convocation next week on current problems; establish a black studies program.

Meanwhile SIU students at Carbondale were to hold a referendum today to determine when that school should reopen. It was closed Tuesday night to prevent riots after about 2500 students crowded outside the office of the university president demanding that it be closed.

National Guardsmen, who were removed from that campus were ordered back Wednesday by Gov. Ogilvie.

Extra Job Survey Set Next Week

Information on the number of persons holding more than one job and the total of hours worked at each job will be collected during a survey to be conducted in this area during the week of May 17, according to Theodore F. Olson, director of the regional office of the Bureau of the Census in Chicago.

Local interviews will be part of a nationwide effort to measure dual job holding in the U.S. employment statistics are gathered monthly by the Bureau for the U.S. Department of Labor's Bureau of Labor Statistics to provide a continuing measure of the economic health of the nation.

Facts about individuals collected in the survey are held confidential by law. The results can be published only as statistical totals.

MORE ABOUT Man, 25

Busy Bee Truck Stop was flooded with asphalt, said he heard the trapped man call out — "My God, help me. Oh, my children." He also signaled for help with long blasts on the horn.

State police reported both cars were going north and that the rear of the Hughes' auto was struck by Tegel's car. The Hughes auto went off the roadway into a ditch on the east side of the roadway. The two-highway intersection is controlled by a four-way red flashing light and four-way stop signs.

Tegel was knocked unconscious in the crash, witnesses said. He is a brother of Gerald E. Tegel, 22, who died of injuries March 26 at St. Elizabeth Hos-

Sgt. Joseph Baker Is Award Nominee

Sgt. Joseph H. Baker of St. Louis has been nominated by the USAF Aeronautical Chart and Information Center as a candidate for Greater St. Louis Military Man of the Year. He and his wife, the former Karen F. Shelton of Granite City, reside at 2045 Danville drive, Florissant, with their four-month-old son.

His official duties as a production control specialist in the military cartographic section requires a high degree of specialized training and contributes to the production of flight information products which are used throughout the world. It was noted.

The sergeant and his wife are members of the First Assembly of God Church in Granite City, where he serves as president of the Young Married Adults Sunday school class. He is active in promoting the Teen Challenge Organization in the Greater St. Louis area. Teen Challenge is a youth movement concerned with the drug abuse problem among young people.

Rear of Auto Struck

Upon leaving a driveway, an auto driven by Arthur R. Snelsom, 3229 Wayne avenue, struck the rear of a car driven by Barry F. Niemeyer, Belleville, at 7:45 p.m. Wednesday at 2907 Madison avenue. Snelsom was charged with a right-of-way violation.

Two persons injured when an auto driven by Harry L. Osborn, 45, of Neoga, struck the car driven by Lewis A. Rash, 2032 36th street, Madison, shoving it into the parked car of Harry E. Ebe, Collinsville, at 2:25 p.m. Monday on Edwards-ville road at the blast furnace plant. Hurt were Osborn and Emma Rash, 46, of the Sixth street address. The Rash auto was stopped for a pedestrian traffic signal. Osborn was charged with following too closely.

3 Hurt in Crash
Mrs. Nell Rainwater, 33, of 24 Jeanette drive, was admitted at St. Elizabeth Hospital at 7:25 p.m. Tuesday with injuries

sustained in an auto accident at Pontoon road and Lake drive earlier the same day. Two other women were treated at the hospital and released.

The accident occurred about 4:30 p.m. Tuesday, when Mrs. Rainwater's auto, eastbound on Pontoon, halted in heavy traffic and was struck from the rear by another vehicle, operated by Miss Pamela Britton, 17, of Rural Route One.

Taken to St. Elizabeth Hospital by ambulance, Miss Britton was treated for a cut lower lip, contusions to the right arm and abrasions and contusions to both knees. She underwent x-rays and was released.

A passenger in the Rainwater car, Mrs. Bessie K. Rainwater, 73, of 2708 Harvard place, was examined at the hospital and had x-rays taken of the spinal area before being released.

Mrs. Nell Rainwater suffered right knee, back strain and head x-rays.

She is expected to be released this week.

Jerry Wiser, six, son of Mrs. Norma Spiff, 2215 Madison avenue, was struck when he ran across the path of an auto driven by Lesley Whaling, 367 Holiday park, at 3:55 p.m. Wednesday in the 1800 block of State street.

The boy was admitted to St. Elizabeth Hospital with cuts and bruises to the right foot and left elbow.

Bicyclist, 8, Injured

A young bicyclist, John Roger Ruhl, 8, son of Mr. and Mrs. John Ruhl, 2439 Lincoln avenue, suffered abrasions to both knees and right elbow about 3:30 p.m. Tuesday in an accident with an auto at East 24th and Kate streets. He was taken to the hospital by his mother.

Police said the auto was being driven east on East 24th street by Anton Wainer, 2704 East 24th street, while the boy was riding north on Kate.

Boy Hit by Car
Steven Patrick, 10, son of Mr. and Mrs. Donald Patrick, 2138 Lee avenue, was injured when his bicycle struck a car driven by Dennis Tilson, 2225 Madison avenue, who was leaving an alley onto 22nd street between Tuesday and Monroe street.

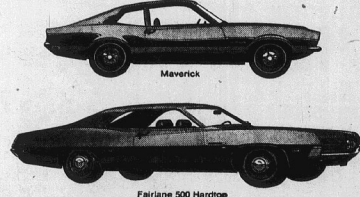

Tilson said he sounded his horn at a dog 20 feet away from the sidewalk. The boy was treated at St. Elizabeth Hospital for abrasions of the left hand and contusions of the right leg and was released following x-rays.

Mrs. Minnie Meyer, 96, Dies Yesterday

Mrs. Minnie Meyer, 96, who was born here and spent most of her life in the Naneok area, died of a heart attack Wednesday morning in Blue Springs, Mo., at the home of her daughter, Mrs. Elva Mervin.

She had moved there from Muncie, Mo., after the death of her husband, Louis Meyer, about 15 years ago. A son, Albert Meyer, also preceded her in death.

In addition to her daughter, she is survived by two grandchildren. Many nephews and nieces reside in the Quad-City and Collinsville areas.

One of nine children of the late Mr. and Mrs. William Kunemann, she was the last surviving member of that group. Her late brother, Chris Kunemann, was mayor of the former village of Naneok and Madison county recorder of deeds.

The funeral and burial will be at 2 p.m. Saturday at the Muncie Cemetery near Wentzville, Mo.

GC School Counselors Tour Local Industries

Seventeen Granite City senior and junior high school vocational guidance counselors toured five different local manufacturing industries on Monday in a program arranged by Vasil Eftimoff, director of Student Personnel Services of Community Unit School District 9, in cooperation with the Manufacturers' Association of the Tri-Cities.

During the tour, the counselors were given a first hand opportunity to observe different types of manufacturing processes, and in a luncheon following the tour, discussed job opportunities with industrial manufacturing representatives.

The counselors began their tour of the basic oxygen furnace department of the Granite City Steel Co. where the process was described by BOF Dept. Supervisor J. E. Goodin. Then in two groups, the counselors toured Air Products & Chemicals, under the direction of Tom Bosley, plant manager, and the Nestle Co. where Wal-

ter Shuran, acting plant manager, and Gerry Quirk, manager of personnel, directed the tour.

The second group toured Lipsett Steel Products Co. with Len Komorny, plant manager, and Nesco Steel Barrel Co. with Al Zamarian, controller.

Following the tour, the counselors attended a luncheon at the Army Depot with a number of industrial manufacturing representatives at the invitation of Col. Ned Dickson, depot commander.

Attending were Ron McCone, Sandra Kopsky, Laverna Corbitt, Henry Beiser, James Dumont, Gary Piroeder, Richard Miller, Doreen Wanner, Pat Gowan, June Mills, August Faller, Al Rowden, Jo Ann Massa, James Eubanks, John Haug, Loretta Woolbright, Evelyn Fedora, and Director of Student Personnel Services Vasil Eftimoff.

Dr. Holt Is Speaker At Kennel Club Meet

Dr. L. H. Holt was the speaker at last night's meeting of the Quad-City Kennel Club at the YMCA. He spoke on "Parasitology" and emphasized the damage to the dog caused by heart worm which is relatively new and an increasing problem to this area. Mosquito control is necessary in preventing heart worm.

Debbie Godfrey, a club member, spoke on the German Shepherd breed of dog and showed her dog Prince. Members discussed participating in the July 4th fair at Wilson Park with a booth to sell food, and progress plans were announced for a dog show at Wilson Park on Aug. 8. A 42-inch trophy will be awarded.

Next month's meeting at the club will feature films on the Westminster Dog Show and the International Show.

Law Enforcement Conference under Way

Several outstanding speakers on topical subjects such as "Militancy, Boycotts and Demonstrations," "Drug Abuse" and "Arson, Bomb Threats and Vandalism" will be heard in a two-day conference, sponsored by the Illinois Law Enforcement Commission, which started today at Pere Marquette Lodge, near Grafton.

Funded by a federal-state grant through the state commission, the conference is an attempt to explore the concept of improved communication between law enforcement officers, the judicial branch and those in the field of education, according to Orville Brown, audio-visual director of East Alton-Wood River high schools. Brown, who serves as a consultant to the Madison county superintendent of schools, is acting as conference coordinator.

Taking part from Granite City are Police Chief Ronald Veizer, Juvenile Officer Susan Goggin and Patrolmen Anthony Eck and William Harris; C. A. MacMillan, Mrs. Gladys Bass and Irving Miles of Coordinated Youth Services; and June Mills, John Haug, Gerald Brown, James Duntion, Fred Niehl, Kenneth Spalding and Gilbert Waimsey, representing the Granite City school district.

Madison, Venice Delegates

The Madison delegation includes Police Juvenile Officer Sgt. William Fanning and several teachers. Venice Patrolman Charles Mize and teachers, Robert Hendrickson, Ronald Ganschmiedt and James Russell, are representing the Venice district.

Dr. George Ackeland of Southern Illinois University-Southwestern campus was the initial speaker following a 12:30 p.m. luncheon today. His topic focused on "The Educator's Role in Discipline and Safety of Pupils."

"The Basic Concepts of Criminal and Juvenile Jurisprudence" were discussed by Judge Joseph Kelleher of Edwardsville. Discussion periods were held at the conclusion of each program and a dinner is scheduled for 6 p.m.

Council Freezes Development of Industrial Park

All current and further transactions and sales of property at the Stephen Maers Industrial Park were suspended until Aug. 4 by the Madison city council at its last meeting Tuesday night. There will be no new improvements during the period.

The Aug. 4 date follows the July 28 majority election and was set by Fifth Ward Alderman John Haynes, who insisted upon the suspension.

He said Acting Mayor Raymond Kozielek has been negotiating for the property without the knowledge of the aldermen.

Reports Firms Interested

Mayor Kozielek pleaded against the action, as negotiations are near completion with one interested firm, Swift Commercial Co., for sale of a tract of land at the park. A legal notice seeking bids on the tract was approved at the last meeting. He said negotiations with Swift were started a year ago by Mayor Maers.

Kozielek said several other firms also are interested in the park location.

He said the city needs the funds, especially in view of the cost of maintenance of the Chain of Rocks Bridge, totaling about \$24,000 a year.

A recommendation that the city close the bridge permanently and sell it was made by Alderman and Hanover of New York, bridge consultants. It has been closed since February.

The firm said the bridge in 10 years would need a new deck at a cost of \$15 to \$2 million and would always be substandard.

It is in need of painting, which would cost \$300,000, and minor repairs, the report said. Removal of the bridge would cost from \$800,000 to \$1.5 million, it has been estimated.

\$8,000 Yearly Revenue

Utility lines across the bridge produce \$7000 a year and landfill rental another \$9000 a year to the city treasury, Kozielek noted in a report on the financial condition of the city.

He said the city now spends about \$45,000 a month but on balance has \$17,000 in the general fund and \$108,000 in the special revenue fund. It should be unnecessary to issue tax anticipation warrants before tax money begins to arrive in August, he added.

Alderman Richard Kisser told a large audience that the city is in an adequate financial condition but that spending will have to be guarded.

James Reidelberger of Venice, chief probationary officer of the Third Judicial Circuit, and Miss Julia Foster of the Alton school district, will serve as panel moderators.

Brown said it is hoped through the conference to break down any barriers which may exist between the law enforcement agencies and educators and to promote a greater understanding of the programs being developed by each segment to help control delinquency and disruptions.

Mrs. Lewis Accepts Debate Challenge

Mrs. Louise Lewis, who recently announced her candidacy for the office of mayor of Madison, said today she would accept the challenge to debate municipal issues.

"It is one of the best ways for the public to become informed about the qualities of a candidate through public appearances," Mrs. Lewis said.

"Debating," she added, "is a recently revived by the late President Kennedy, had been for the most part avoided by contemporary candidates. Since great men, such as President Lincoln and President Kennedy felt this procedure was essential as a way to inform the voting public, it would be wise to follow their example."

Among the issues proposed for debate by Mrs. Lewis is "the desire of some administrative officials to use funds secured from the police pension fund to further the needs of the industrial park; and the beautiful high school, designed to present an aesthetic appearance, being converted into a grotesque example of administrative failure. The high cyclone fence recently installed gives this educational institution the appearance of a concentration camp."

"The issue of wholesome recreation for the youth in the community is an important one."

"The list of issues could be endless. Some are important only to a few, while others are important to the entire community. Debate will provide an assessment by the people of the sincerity, education, ideas and ability of the candidates to express their views."

"I accept the challenge to debate from all candidates," Mrs. Lewis said.

Mental Health Boards To Attempt Accord

The Madison county 708 mental health board moved to resolve its differences with the Tri-City mental health board and clinic staff at a meeting Tuesday night at Edwardsville.

Edwin Reiske, a member of the 708 board, and Marshall Smith, assistant state's attorney and legal advisor to the 708 board, are to meet with Leo Konzen, legal advisor for the local board, to arrange a meeting between the two groups.

The two boards have been at odds for about seven months over the employment of Jerry Staten, since resigned as director of the local clinic. The county board has withheld budgeted funds for the local clinic.

Smith has advised the 708 board to permit the local board to name a new administrator or acting administrator. He also advised that the 708 board sign a contract with the local clinic and to obtain a budget for the rest of the fiscal year.

GC Tax Books Now In Hands Of Collector

Tax collection in Granite City may begin next month. Books for the preparation of tax bills were picked up yesterday from the office of Miss Eulalia Hotz, county clerk, by E. R. "Pat" Rich, Granite City tax collector.

A staff of typists will be employed to prepare the bills for mailing.

Total amount to be paid this year by Granite City property owners is \$9,328,714 on the basis of \$5.47 per \$100 assessed value of land and personal property.

In addition, railroads are to pay \$4,223 in taxes to be collected by the county treasurer, making the overall total for the city—\$13,551,937 for the 1969 assessment year.

Miss Hotz said a breakdown of the tax dollar in Granite City shows 69.88 cents of each dollar goes to the school district, 19.08 cents to the city, 7.35 cents to the county, 6.49 cents to the county, 3.35 cents to the park district and 2.65 cents to the township.

NYC Youth Program Job Applicants May Apply

A Neighborhood Youth Corps summer job program for high school youths will be operated in Granite City for the fourth consecutive year in conjunction with Mayor Donald Partney's summer vacation employment program for students. It was announced this week.

Applications will be accepted at the coordinated Youth Services office, 155 Niedringhaus avenue, starting Monday and continuing until June 1.

Job seekers may call Mrs. Lillian Douglas at the CVS office, 876-2333, who will arrange an appointment to assist the student to complete the necessary application forms.

The in-school employment program will start at the end of the current school year in mid-June. Mayor Partney and C. A. "Bud" MacMillan, CVS executive director, said this week.

Last summer, about 80 boys and girls took part in the program, which assigns in-school youths to jobs in various city departments, under direct supervision of adult leaders, or at jobs in churches and youth services agencies.

Those eligible for employment through the project are youths 16 years of age or older.

Maryville PTA Installs Officers

Norman Hall of the Illinois Electric Co. was elected president of Maryville school PTA for 1970-71 and was installed with other officers at a meeting Tuesday evening conducted by the retiring president, Guy Lahr.

He was installed by Harold Brandon, vice-president; Mrs. Ruth Hubbard, secretary, and Mrs. Pat Mullen, treasurer.

The New Life Singers of First Assembly of God Church, opened the final meeting of this year with musical selections. Sixth grade students of Mr. Jean Messick gave part of the play, Macbeth, and introduced their ideas on values toward creative education.

Coming events announced include two PTA-sponsored trips, one with funds raised during the year by the PTA project. They are a trip of a Cardinals game to St. Louis for the fifth and sixth grade patrols and a trip to Springfield on May 22 for the sixth grade patrol.

Sports Day will be conducted at the school on May 18 for girls and boys in the fourth and fifth grades and on May 19 for the boys of the same grade level.

The annual school picnic is planned for May 25 at Wilson Park and will begin at noon. Jack Mulach, principal, extended the thanks of the staff to PTA members and to Kenneth Jones, music teacher who served as program chairmen for the entire year.

Mulach reminded the parents who have not registered their child for the kindergarten classes may do so tomorrow, by appointment. He suggested they call the school before school closes on June 11 if they cannot be present on Friday.

Parents Elect At St. Mary's

St. Mary's Parent-Teacher Association met Monday evening in the cafeteria of the school. Sister Agnes spoke on the services and choir picnic to be held May 26. She also announced reading tests to be given to first graders on May 29.

Fr. Sylvester Micek spoke to the ladies on use of weekly bulletins to keep posted on happenings in the church. He also reported that the Saturday evening Mass fulfill obligations for the church. He urged that families of the church bring religious closer to the home, parents and children.

Those attending were Mrs. Ann Blasson, Mrs. Shirley Worley, Mrs. Pauline Weir, Mrs. Barbara Johnson, Mrs. Alice Johnston, Mrs. Alta Carpenter, Mrs. Shirley Farmley and Mrs. Lillie Brueggemann.

Mrs. and Mr. Alfred Bronnbauer, 8635 East 24th street, are announcing the birth of a son, Kurt Charles, who was the second child born to St. Elizabeth Hospital on Mother's Day, May 10. He weighed 10 pounds, three ounces. The other Bronnbauer children are Connie, Karen and Karl.

Maternal grandparents are Mr. and Mrs. Eddie Broyles, 2315 East 24th street, and paternal grandmother is Mrs. Marie Bronnbauer, 1628 Cleveland boulevard.

Assessors Still At Work in GC

Granite City's deputy tax assessors will be continuing visits to local property owners through the first week in June. It was announced today by Township Assessor James Barton.

"If you have not been visited yet or have not received a note from your deputy assessor, your area has not yet been visited and the deputy will be by within the next two or three weeks," Barton added.

Granite City has been divided into districts for the personal property assessment this year, and each deputy has the necessary auto and furniture exemptions forms which must be completed by the head of the household.

Persons who will be away on vacation and who have not yet been contacted by a deputy assessor, may obtain the exemption form at Barton's office, 1904a Delmar avenue.

Long Service to Troops by Red Cross Speaker May 19

Mrs. Virginia See, guest speaker at the annual Tri-City Red Cross dinner at 6:30 p.m. Tuesday, May 19, at the Army Depot, will discuss firsthand experiences in Cuba, Spain and other foreign countries.

Originally from Kansas City, Mo., she resides in Clayton and is Red Cross field hospital director at Scott Air Force Base, Belleville. But her Red Cross duties have taken her to all parts of the world.

She first became involved in serving combat troops during world war II. That was 27 years ago and the first of three wars that have kept her in close touch with the military.

At Scott, she is responsible for the Red Cross service of 130 volunteers who work with wounded servicemen returning from Vietnam. She also supervises a staff of professional Red Cross workers.

Aid Wounded from Asia
The most satisfying duty for all of Red Cross personnel at the base, from the standpoint of personal involvement, is meeting the arrivals of the wounded from Southeast Asia. For Mrs. See, it's the first time in three wars to greet them on home soil.

The veteran field service worker, a government employee in Washington, D. C. when she joined the Red Cross in 1943, has seen Red Cross action in the Pacific Ocean area, the Far East, Korea, Cuba and Spain.

Auto Equipment Taken
Leonard Walker, 3237 Dodge avenue, reported to police Tuesday that equipment worth \$121 was stolen from his 1988 auto while it was parked in the 2000 block of Madison avenue. Taken were the carburetor, a chrome gas line, the battery and air filter.

Band Concerts in Texas Inspiring, Group Told

Two concerts presented last week at Furr Junior-senior high school in Houston, Tex., by the Granite City high school band, "were an inspiration to the entire student body," according to a letter from the principal of the Texas school which was read Tuesday evening at a Granite City High School Band Parents Association meeting.

Experiences during the annual spring tour by 120 members of the band were related for parents by Mrs. Carl Mathias, Mrs. Joseph Mills, Mrs. Archie Hogan, Mrs. John Metz, Mrs. Kenneth Reuter, Mrs. Bill Lee, Mrs. Donald Corbett and Mrs. Konstadty Christich, who were chaperones.

Joseph Owens, assistant conductor, also noted the "fine reception" for musicians at all stops during the six-day tour to the Galveston-Houston area.

Assistance in sewing band uniforms during the summer months was sought by Mrs. Norman Field, and Mrs. Mills requested volunteers to help in the association-sponsored booth, planned for the Fourth of July festival at Wilson Park.

Regular meetings will continue during June and July, President Melvin Gillie announced, and hostess duties for the June session were assigned to Mrs. Lee and Mrs. Donald Dillard.

The business meeting was followed with a social hour, with refreshments served by Mrs. Hogan and Mrs. Carl Kilbort to 20 members.

CRAFT INSTRUCTION

Mrs. Frank Pate entertained the Granite City Madison County Homemakers Extension Association for a day-long craft session Monday. Mrs. Pate served a dessert course following a noon luncheon.

The craft chairman, Mrs. Kark Krizan, instructed the ladies in the making of summer bags from plastic beach bottles.

Guests attending were Mrs. Luther Davis and Mrs. Al Gray of the Bluff unit, Mrs. Louis Vrenick of the Maryville unit and Mrs. Fred Neeth and Miss Mary Kautelic. Members present were Mesdames Reis, Rufus Ramsey, Michael Zikovich, F. G. Stephens, Michael Skubish and Ann Walker.

WOMEN'S SOCIETY MEETS

Mrs. Vivian Gulka, president of the Women's Society of Christian Service of Nameoki United Methodist Church, opened the Monday night meeting with prayer. Mrs. Mary Jo Hein gave the lesson, "Medicine and Religion," assisted by Mrs. Dorothy Wallace and Mrs. Dorothy Luckert.

The president reported on the May Fellowship Day held by the Quaker Church Women's Unit. Plans were discussed for the 20th anniversary of the church Sunday, May 24, including special morning services and a pot luck dinner that evening. Rev. E. M. Dycus will speak in the morning.

Refreshments were served by Mrs. Dorothy Luckert and Mrs. Bernice Sawyer to those named and Mesdames Lu Ann Briner, Jane Elkins, Ruth Anderson, Mildred Nance, Doris Smith, Lucille Webb, Lucille Russell, Effie Vrenick, Mary Jane Foster and Virginia Carroll. The next meeting will be June 8 at the church.

The senior high group of the Nameoki United Methodist Church Fellowship met Sunday evening at the home of Mrs. Mary Jo Hein. Present were Mr. and Mrs. James Rhea and Mr. and Mrs. Roger Tracy.

Members attending were Marilyn Bess, Neil Seymour, David Luckert, David Lathrop, Patty Lathrop, Bernice Harris and Karen McCrone. A report was given on a car wash the group sponsored Saturday and tentative plans were made for coming activities. A bake-sale is set for June 6 at a location to be announced later. Dennis Bernice and Karen McCrone are co-chairmen of the sale.

PRACTICE CEREMONIES

Brownie Troop 340 of the Parkway PTA, met with the leaders, Mrs. Inge Mordic and Mrs. Delores Smith, Monday. Susan Range led members in the pledge of allegiance and new members recited the Brownie promise. Girls who will soon "fly-up," said the Girl Scout promise.

The leaders directed the girls in practicing for the investiture hour fly-up ceremony which will be held Tuesday evening, May 19, at a mother-daughter banquet at Wilson school.

Outdoor games, including pantomimes, were played and the meeting closed with singing. Thorngate Club Plans Activities

The Thorngate Garden club held its May meeting Tuesday afternoon at the home of Mrs. Clara Schillinger, 2233 Lynch avenue. A dessert luncheon was served by the hostess, who decorated her serving table with a huge bouquet of irises. Small American flags served as favors.

Mrs. Beulah Miller gave a reading, "Garden Work," and members answered roll call by identifying their favorite roses. Plans were made for the club to attend a home and garden tour in Alton May 20 from 9:30 a.m. to 4 p.m. Further information may be obtained from Mrs. Charles Delpe.

The club decided to have a booth at the Nameoki Village annual "charity days" in September. Mrs. Wanda Kincaid, chairman of a project of selling stationery, reported on progress.

The next meeting will be a "guest day" June 9 at 10:30 a.m. at the home of Mrs. Mary Markham of Route Two. The day's program "Terrorisms," including how to build them, was presented by Mrs. Betty King. A terrarium she made during her demonstration was donated to the club for a silent auction.

Other members present were Miss June Markham, Mrs. Pearl Young, Mrs. Caroline Moser and Mrs. Pat Polley.

Awards Dinner For Card Group

The third annual awards dinner of the Bridge-Pinocchio Round Robin of Sacred Heart Catholic Church was held Monday evening at the KC Hall.

First and second place trophies were awarded to the following: pinochle—Mr. and Mrs. Ed Coleman, Albert Michel, Carl Heaton, Mr. and Mrs. Dick Werth, Eva Hansel, Della Hagan, Mr. and Mrs. Bob Cluser, Mr. and Mrs. George Grimm, Alex Rozycki, Mr. and Mrs. Alex Kurilla, Mr. and Mrs. Frank Kaylich, Rosemary Holgrave, Rose Janku, Mr. and Mrs. John Juhasz, Mr. and Mrs. Walter Bruch, Mr. and Mrs. Anthony Michel, Mr. and Mrs. Carl Petty, Mr. and Mrs. Lyle Howell, Mr. and Mrs. T. A. Feiler, Mr. and Mrs. Joseph Parente and Mr. and Mrs. Lawrence Petri.

Bridge—Elsie Morrison, Bernice Grzek, Ernest Trachsel, Don Moore, Rev. Virgil Mank and Rev. Kevin Sullivan.

Card party prizes were won by Tony Lapinski, Frank Kaylich, Wayne Mosby, Marie Perry, Bobbie Sizemore and Thelma Bruch, (pinochle); and Mildred Fehling and Dee Sheridan (bridge). Rev. Mank and Adele Balcer were winners of the special prizes, and Rev. Sullivan expressed appreciation to the Round-Table chairmen Angela Hatfield and Ernest Trachsel, and announced next year's chairmen, Helen Bertach and Ernest Trachsel.

The Dominican Sisters of Sacred Heart school and Mr. and Mrs. George Sido, and Mr. and Mrs. Kent Schaeble were guests of honor.

CONSTITUTION QUIZ FOR HT OF PEO

Chapter HT of the P.E.O. Society met Monday with Mrs. Marion Wilson, 1300 Twenty-seventh street.

Mrs. Jan Kohl, president, conducted the meeting after a dessert course, and announced plans to represent the Chapter at the state convention in Chicago, beginning today and continuing through Saturday.

A quiz on the Constitution was conducted and each one was awarded a prize. Plans were made for the annual picnic to be held in the home of Mrs. Maxine Anderson in Belleville.

Honor Webster Sixth Graders

A special program to honor sixth grade students and an installation ceremony drew a large crowd to the final meeting of the Webster PTA Monday evening.

The president, Mrs. Annette Scrum, gave the welcoming address. The session was called to order with a flag ceremony by Brownie Troop 188 led by Mrs. Barbara Blackburn and Mrs. Millie Hand. The troop led the unit in the flag pledge and singing, and the Brownies sang their smile song.

Principal Clyde Lee offered the PTA prayer and conducted a room count; Fred P. Schuman's sixth grade class won the attendance award.

The secretary, Mrs. Eva Arbogast, reported on the April meeting and Mrs. Mae Lee submitted the treasury report. Schuman resigned from the 1970-71 treasurer post due to transfer to another school.

Schuman gave a report on the June 4 Webster picnic at Wilson Park. Those who wish to assist may contact Mrs. Doris Stotz at 878-5044. A room mothers' meeting May 26 has been postponed.

The unit discussed a field trip to Springfield May 22 for all sixth grade classes. Schuman spoke on "personal involvement" that his students have been engaged in and several of the pupils entertained with readings and poems. Pat Gilmore read original poems, "Dawn" and "I Am a Book." Patty Jones read a story, "The Chair," written by Richard Biggs. Carol Lee presented "I Am a Leaf" and Sandra Keck, "Underground."

Gene Fuller and Ricky Niswanger showed pictures they had drawn and read poems, "Ships" and "Horses."

Lee spoke to the students who will be leaving Webster, citing the knowledge they have gained. Mrs. Pat Polley, a representative of the Area PTA, installed the new Webster officers. Mrs. Scrum, president; Mrs. Diane Dietrick, vice-president, and Mrs. Arbogast, secretary. Mrs. Polley spoke on PTA units and the bylaws of each association. Mrs. Scrum introduced special guests Owen Humphrey, curriculum coordinator, William Brinkhoff, director of the state demonstration center here, and Mrs. Sara Sowell, director of the gifted program, who spoke on the "Less Program" with film illustration. A question period on the continuous learning program concluded the meeting.

Refreshments were served in the cafeteria by the hospitality chairman, Mrs. Barbara Blackburn, and the kindergarten room mothers. Regular PTA meetings will resume in September.

ROUSSEAU FAMILY TO MOVE TO DOWNERS GROVE
Mr. and Mrs. Donald Rousseau, 2505 Stratford, parents of a third child, a seven-pound, three-ounce daughter, Jill Elaine, last week will be moving in a few weeks to Downers Grove. The new arrival was born Saturday at St. Elizabeth Hospital.

The grandparents are Mr. and Mrs. Louis Rousseau and Mr. and Mrs. John Janko Jr., all of Granite City, and Lawrence Crabtree of Missouri. The mother is the former Wanda Crabtree. The Rousseaus' other children are Sherri, six, and Todd, three.

Others present were Mrs. Dorothy Barnes, Mrs. Gloria Burnett, Mrs. Esther Davis and Mrs. Gladys Hudgens.

ENGAGED. Miss Cynthia Sue Hogan, whose betrothal to Paul Joseph Riggins is announced.

Riggins-Hogan Engagement

Mr. and Mrs. John Hogan, 3149 Aubrey avenue, are announcing the engagement and coming marriage of their daughter, Miss Cynthia Sue Hogan, to Paul Joseph Riggins, a son of Mr. and Mrs. Charles Riggins, 2615 Iowa street.

Both young people are graduates of Granite City high school. Miss Hogan is employed in the offices of the Tri-City Grocery Co., and her fiancé is an employee of Rite Electric Co. An early fall wedding is planned.

Miss Carlin Is Honored

Miss Margaret Carlin, who is retiring from the Madison school system this summer after 46 years service, was given a farewell dinner and party Monday evening at the Starlight restaurant in East St. Louis.

The affair was arranged by the secretaries and cooks of Madison School District 12, and the guest of honor was presented with a gift and an orchid corsage. Miss Carlin was employed at the high school from 1924 until 1945, and from 1945 to 1970 in the board office.

Job's Daughters Plan Tours

A tour of Shriners Hospital in St. Louis on Sunday and a trip to New Salem on May 23 were the main topics at the Tuesday night meeting of Bethel 43, Order of Jobs Daughters, conducted by Miss Carol Carver, crowned queen.

Those escorted and introduced were Mrs. Eleanor Todoff, past honored queen and director of music, Mrs. Neil Baskette, Bethel guardian, Dr. Amor Rode, director of finance, and Mary Lou Davison, a guest from the East St. Louis Bethel.

"The Word Never" was the subject of the librarian's report by Becky Stone.

Members who observe birthdays this month included Patty Brokaw, Beth Anne Ledbetter, Sharon Stagg, Paula Squires, Vanessa Cook, Frankie Schwertman and Joan Schwertman.

Remarks were given by Mrs. Baskette and Mrs. Pauline Dalhaus.

Following the meeting members and guests joined members of the James Stuart Chapter Order of DeMolay in the downstairs hall for a dance and refreshments, served by Mrs. Heleen Christich, president of the Mothers Club, and her committee.

KU, PEO, Honors Mrs. Glen Rice

Chapter KU of the P.E.O. Society met Tuesday evening in the home of Mrs. Leonard Davis, 3728 Fair Oaks drive. Eighteen were present and the television program, "This Is Your Life" and was conducted by Mrs. David Maxton. Mrs. Rice, who was president of the chapter when it was organized Nov. 13, 1965, and has taught in the Granite City school system for a number of years, plans to retire at the end of the present term and with Mr. Rice will leave to reside in San Diego, Calif.

Washington PTA Installs Officers

The Washington school PTA held the final meeting of the season Monday evening and installed the following officers for the coming season:

Richard Ficker, president; Jennie Cook, vice-president; Mrs. Rose Marie Ortiz, secretary; and Mrs. Barbara Elmore, treasurer.

The speaker was Susan Gargich, Granite City juvenile officer, who discussed the use of narcotics and other drugs.

Plans were made for the school picnic at Wilson Park June 2.

About 50 were present and the special award went to Mrs. Vee Thorne.

TWO ARE HONORED BY WHITTLE BY WHITTLE

Whittle by Whittle club members met Monday night at the East Side Levee office here with their leader, Mrs. Pat Pelo.

The meeting opened with the pledge in the flag and club pledge, led by Mrs. Pelo. Mrs. Ruth Hubbard gave the treasury report and Mrs. Mary Free read the secretary's report.

Miss Ruth Stover and Mrs. Shirley Sobolewski conducted the meeting and members paid fines to Mrs. Carmen Braddock and Mrs. Sharon Braddock.

Mrs. Bea Knuckles was crowned "queen of the week" and received a basket of fruit.

A guest, Miss Dava Gibson, was introduced and a new member, Mrs. Peggy Newcomb, was welcomed. Mrs. Virginia Cotter was presented a chair.

Winners of the current club contest were announced: Mesdames Sharon Braddock, Ruth Cook, Judy Boyer, Delores Townsend, Stella Fisher, Thelma Pryor and Mildred Boyer.

Mrs. Gloria Bennett and Mrs. Mary Jane Sander and Miss Cathy Boyer.

Mrs. Judy Modrusic was presented with several gifts for her young son, Nicky, who was recently hospitalized.

GOLD BOOK AWARD presented by Hospital Administrator Warren Betts to Gene Ross (right) of Granite City, who is president of Ainaad's Compact Unit, for the \$300 "Bonds for Braces" donation made by the Tri-City Shrine Club. The donation was made in conjunction with Shrine International Hospital Day on May 17. Orville Hommert, president of the Tri-City Shrine Club, was presented with a similar award.

Critical of Authorities

County Board Deplores Violence on Campuses

A resolution deploring violence by minority groups on university campuses in the U.S. was unanimously adopted by the Madison County board of supervisors Wednesday morning.

The resolution strongly urged that "prosecution of these people of violence be undertaken at every possible opportunity."

As prepared and read by Edward Vonnard of Alton, it was critical of the prosecution and judicial system as well as educators who enforce "trivial rules and laws while the serious actions were overlooked."

At the same time, it commended and urged full support for police officers, National Guard and the Army which face "situations where they are in constant danger of permanent disability and do not have the satisfaction of seeing even an eventual solution, nothing but more confusion."

Marshall Smith, assistant state's attorney, was sympathetic with college administrators who are trying to "cool it" and prevent greater disruption and damage.

He said Madison county was fortunate as Southern Illinois University - Southern campus has only about 300 such student demonstrators, with only about 100 in the radical category, and "it calls for temperance," although he said he had been "punched on the nose" on one of three recent visits to SIU-SV.

Smith, however, was criticized by the lack of prosecution of leaders of demonstrators who have broken laws here, including a sociology professor who has been arrested by the FBI.

He said the professor will be moving from the state "and no longer will be our problem."

Don Churavich of Granite City disagreed, commenting that "these people return. I believe if you break the law you should be prosecuted."

Capt. Thomas Speaker For Narce Group

Capt. Harold F. Thomas from the Salvation Army was the principal speaker at the monthly meeting of the Granite City Chapter of National Association of Retired Civil Employees, Monday at the Grand Cafe.

Captain Thomas presented a talk on the Salvation Army, its staff members and the organizations functions.

Howard Valtov, Harry Johnson and Richard Franklin were named to attend the State Federation of Chapters dinner meeting on May 21-22 at Augustine's restaurant in Belleville.

Also announced was Sidney Harris, state vice-president, will represent the local chapter at the national convention in Buffalo, N. Y. on June 14-17.

The next meeting is set for June 8 and will be last meeting until September.

Storm Window Fried

David Hawley, 4017 Rode avenue, reported at 4 p.m. Monday that someone tried to pry a window in a rear storm door at his home in the previous two days. A small screwdriver apparently was used.

Traffic Tickets Issued 5 Motorists

Four motorists arrested on charges of violating traffic ordinances at Johnson and Nameok roads yesterday, included William D. Rainey, 2338 Pontoon road, at 6:50 a.m. and Joe R. DeBrue, 2501 Washington avenue, at 7:15 a.m., both ticketed for disobeying a traffic signal; Charles D. Tucker Jr., 2109 Alexander street, at 11:35 a.m. Wednesday, no city license; and Jeff S. Jolly, 2541 Ivy lane, at 7 a.m. charged with driving too fast for conditions (improper passing).

Charged with disobeying a traffic signal at 23rd street and Madison avenue at 9:05 a.m. yesterday, was Jerome Tessier of Ladue, Mo.

Player's Locker Looted

Ronald Simpson, 2831 Buxton avenue, reported Tuesday that his locker in the Granite City high school gym was broken open and looted while he was playing baseball at Edwardsville. Taken was his wallet with \$2.

A meeting of the Yak Yak club was held Monday evening at the Lee Park recreation center with Mrs. Margaret Stove as hostess.

Games were played and prizes were awarded to Mrs. Ethel Moore and Mrs. Dorothy Scarlett.

Refreshments were served to the above and Mesdames Beulah Sizemore, Faye Smith, Mary Guenther, Josephine Simmons, Clara Simmons, Estrella Bone and Kate Dymas.

The next meeting will be May 25, with Mrs. Bone as hostess.

Mr. and Mrs. Frank Pazniak, 912 Third street, entertained Sunday with a Mother's Day dinner in their home.

Guests were their son and daughter-in-law, Mr. and Mrs. James C. Haggard and children, Cindy, Debbie and Wayne, their daughter, Mrs. Mary Lou McKinney and sons, Dan and Bob, and a sister, Mrs. Jessie Blades.

ST. MARK'S SOCIETY ELECTS MRS. DURER

St. Mark's Women's Society met Tuesday evening in the church basement with Mrs. Margaret Schodolski presiding. A report was read by the secretary, Mrs. Eleanor Scaturro.

An election of officers was held, and the following will be installed at the June meeting: president, Mrs. Florence Durer; vice-president, Mrs. Barbara Hadley; treasurer, Mrs. Jo Ann Hartman; recording secretary, Mrs. Bertha Pace; and corresponding secretary, Mrs. Josephine Schmidt.

The annual parish picnic will be held June 7 at Lee Park, with Mrs. Schodolski in charge of arrangements.

Other reports were given by committees and the meeting was adjourned with prayer.

Refreshments were served by the hostess, Mrs. Josephine Schmidt, Mrs. Hattie Munkin and Mrs. Vicky Bilbrey, to the above and Mesdames Toni Ralston, Fannie Witherspoon, Marie Smith, Caroline Malherbe and Barbara Burgenner and Sister Rosemary.

A Mother's Day breakfast was held Sunday at St. Mark's Church basement. The men of the Holy Name Society prepared and served the breakfast to over 80 ladies.

Fr. Terry Shea gave a short talk and prizes were given to 12 ladies.

891-2415

Mr. and Mrs. Greg Robertson, 49 Shirwin drive, honored their mothers Mrs. Bernice Robertson and Mrs. Helen Blacklock on Mother's Day, inviting them to their home for home-made ice cream.

Also attending were Charles Blacklock sr., Charles Blacklock jr., and Miss Bobbie Blacklock of Rosewood Heights, John Robertson, Mr. and Mrs. Jack Loyd and daughters, Missy of Wood River and the Robertson children Britt, Scott, Jill, Wendy and Mike.

NAMED HONOR GRADUATE
Miss Linda Koeze, a senior at Eastern Illinois University, Charleston, was honored Sunday afternoon by the Kappa Delta Phi honorary fraternity as one of 50 honor students who will be graduated on Sunday, May 24. She was presented with a fourragere, which she will wear at the shoulders of her commencement gown.

Upon graduation, Miss Koeze plans to continue her studies toward a master degree, and in September will assume duties with the Edwardsville school system.

She is the only daughter of Mr. and Mrs. Steve Koeze, former Granite City residents now living at Holiday Shores near Edwardsville.

WINSOME CLASS MEETS
The Winsome class of Grace Baptist Church met Tuesday evening at the home of Mrs. Mary Parchment, 1706 Moro avenue, for its monthly meeting.

Mrs. Pauline Bandy opened the meeting with prayer, after which the teacher, Mrs. Wilma Parker, conducted a business meeting.

It was decided to discontinue monthly meetings during the months of July, August and September, with the possibility of a picnic in September. Mrs. Beverley Fanning will be hostess to the June meeting.

Games were played, with Mrs. Faye Hester, Mrs. Parker and Mrs. Bandy winning prizes.

Refreshments were served by the hostess to those mentioned and Mrs. Lois Page, Mrs. Carol Fritts, Mrs. Charlotte Kloster and Mrs. Joyce Koloff.

Linkletter to Speak

At McKendree Dinner

The Professional Pharmacists Association of Madison and St. Clair county has endorsed the June 19 McKendree appreciation dinner, whose keynote speaker is Art Linkletter, radio and TV personality.

Dennis Messenger, president of the organization, said a majority of the members met in Belleville and agreed to support the event and promote participation in it. The program this year focuses on the American drug problem.

Messenger said several drug stores in the Metro-East area will handle the \$100-plate tickets. He noted also that virtually all druggists have indicated they

will take requests for tickets. Those businesses presently offering reservations include Rexall Drugs of Granite City.

SIU-SW Faculty Hopes to 'Break Violence Cycle'

The faculty of SIU-SW on Monday adopted a resolution condemning "recent anti-intellectual acts on campuses by both government officials and groups within the university community (which) are directly contrary to the fundamental purposes of higher education in a free society."

The resolution calls for SIU-SW to provide "opportunities for inquiry" into ways to "break this cycle of violence on our campuses and to preserve reason and our community from the threats which confront us."

The voice vote came at a quarterly meeting of the faculty which had been called prior to, but was held after, U. S. involvement in Cambodia and the deaths of four students at Kent State University in Ohio.

At the start of the faculty meeting, Bill Spear, a student spokesman for the Coalition, a campus group opposed to the Cambodian involvement, read what he termed a "state of the university" message calling for SIU-SW to take no reprisals against Prof. Laud Humphreys. Humphreys has been charged with destruction of government property and interfering with the administration of the Selective Service Act during a demonstration last week.

Agents Recording Lectures? The Coalition statement also protested "infiltration of government agents on this campus who sit in classrooms to tape lectures and then turn them over to the FBI or other government agencies."

The Coalition demanded that a student-faculty committee be established to re-evaluate the role of the university in federally-sponsored programs such as ROTC, urban affairs, research projects and loans. The faculty refused Spear's request that the meeting be devoted to these topics, but later adopted its own resolution.

The text of the resolution adopted by the faculty follows: "The university community can only respond with indignation and despair to the killing of four university students on the Kent State campus this past Monday (May 4). Recent anti-intellectual acts on campuses by both government officials and groups within the university community are directly contrary to the fundamental purposes of higher education in a free society."

"The expanded use of violence on campuses can only lead to an increase of violence by all sides in confrontations on campuses and in the larger society."

Open Forums Threatened "This reciprocal increase of violence threatens to destroy the possibility for open forums of rational dissent and criticism on our campuses and, indeed, could well destroy the university as a viable institution. Such consequences provide the conditions for that dogmatism associated with the closed authoritarian society."

"Given these acts of violence and the policies and reactions which will be associated with them, the faculty by this resolution takes action to provide opportunities for inquiry directed to these matters."

"Students and faculty will immediately begin to plan activities and experiences for the purpose of seeking ways to break this cycle of violence on our campuses and to preserve reason and our community from the threats which confront us."

Eric Horn Honored at Western Academy

Cadet Eric Horn, a student at Western Military Academy, was named recipient of the 1970 "Lad Award" at the academy's annual Mother's Day banquet held Saturday evening in the Sky room of the Stratford hotel in Alton.

The son of Mrs. Harriet Horn, 3301 Bradley avenue, and the late Raymond Horn of Granite City, the 14-year-old youth was presented the award on the basis of outstanding attributes of character, achievement and leadership.

The award presentation and banquet are sponsored annually by Western Military Academy's Members of the Table Organization, a service group within the Corps of Cadets responsible for stimulating growth of moral, social and cultural activities on campus.

Established in 1954, the honor award symbolizes that every good cadet should strive toward in his school career, the accompanying citation stated. Principal speaker at the banquet was James Merton Dickinson of Omaha, Neb., a 1963 graduate and a noted artist.

Accompanying Mrs. Horn to the dinner were the cadet's brother-in-law and sister, Mr. and Mrs. Fred (Barbara) Barr of Granite City.

Yeoman 2/C John Orr Is Home on Leave

Yeoman Second Class John Orr, son of Mrs. Ruth Orr of 2241 Waterman avenue, has arrived home after serving 10 months aboard the U. S. S. Clarke County in Vietnam.

A 1965 graduate of Granite City high school, he will remain at home until May 29 when he receives his release from active duty. Orr has served for 3½ years with the U. S. Navy.

YEARBOOK EDITORS for next year's edition at Venice high school are sophomores Linda Durer (left) and Kim Boelling.

Emert, Peru Student, Elected to Position

Steve Emert, son of Mr. and Mrs. James A. Emert, 2345 Emert avenue, has been elected vice-president of the Student Governing Association at Peru (Neb.) State College for the 1970-71 academic year.

Emert has served as vice-president of his freshman year, was president of the sophomore class and currently is treasurer of the SGA. A junior, he is a member of the judiciary board and a student advisory member of the financial aids committee.

He is a graduate of Roxana high school and is married to the former Linda Miller, daughter of Mr. and Mrs. Allyn Miller of Alton.

Yearbook Editors At Venice High School

Kim Boelling, daughter of Forest Boelling, 618 Broadway, Venice, and Mrs. Delores Milko, 1250 Oriole street, Venice, and Miss Linda Durer, daughter of Mr. and Mrs. Fred D. Durer Jr., 801 Jefferson avenue, Venice, have been selected as co-editors of the 1971 yearbook of Venice high school.

The girls will plan this summer to revive a type of publication that has been discontinued for the past four years.

Both girls are sophomores and are active in the Future Teachers of America, Student Council, the National Honor Society, and the St. Mark Catholic Youth Organization.

Additional staff members will be announced early in September.

O'Neill Given Academic Honors at Millikin U.

William O'Neill of Granite City, a senior at Millikin University of Decatur, is among 65 other students who have maintained excellent academic records over a period of at least three semesters. They were honored recently at a dinner.

Each student has a minimum cumulative grade point average at 3.5 or better on a four-point scale. Dr. William D. Lewis, chairman of the education department at Millikin, was the principal speaker.

STUDENT GOVERNMENT DAY officers from Venice high school who served with their elective counter-parts yesterday are, left to right, first row—John Schodroski, Jay Maurer, Bill Young and Patrick Foley; second row—Janet McGarrahan, Sharon

Girls Sweep Most Government Day Offices in Venice

Sophomore girls captured eight of 15 offices that were filled yesterday by Venice high school students as they observed Student Government Day with the regular city officials. Only two boys filled elective offices and they were unopposed in their bids for election.

Senior Gloria Gardner won the top post of Mayor. Earlier this year Gloria was chosen by the seniors and faculty as the "Good Citizen" of the senior class and was honored as such by the D.A.R. Other seniors winning office were Arbelia Wooten, chief of police; Virginia Irby, fire chief; and Bill Young, humane officer.

Only one junior was elected to office, Pamela Irby, as health inspector.

Sophomores elected were Claudia Watt, postmaster; Sharon Ballentine, comptroller; Ramona Narvaez, bridge manager; Maria Brawley, city ager; Linda Durer, building inspector; Jay Maurer, street superintendent; Joan McGarrahan, park superintendent; Kim Boelling, city engineer; and Annie Mosby, city treasurer.

The lone freshman official was Janet McGarrahan, who served as city clerk.

Presidents of the four classes automatically served as the aldermen of the city. They were Patrick Foley, John Schodroski, Margie Graham and Raymond Mosby.

College Credit Escrow Program at McKendree

McKendree College in Lebanon is again offering its unique college credit in escrow program this summer for students completing their junior year in high school.

Credits earned in this program are held in escrow until such time as the student enrolls for full-time study at McKendree or another institution of higher education.

Admission requirements are the achievement of a minimum grade point average of "B" as evidenced by the high school guidance counselor or principal.

The duration of the escrow program will be McKendree's regular seven-week summer session beginning on June 15 and ending on July 31. Professors from McKendree's students may register for one or two courses selected from the summer school schedule. The student will attend classes with regular college students and will be expected to perform at the college level.

Information may be obtained by visiting the college's admission office, or calling 1-537-4481, extension 67.

Janice Seymour Tours With MacMurray Band

Janice V. Seymour, daughter of Mr. and Mrs. Lloyd Seymour, 3404 Lydia lane, a member of the MacMurray College concert band, toured with the band throughout northern Illinois over the weekend.

The 30-member band, under the direction of Dr. Henry E. Busche, professor of music at MacMurray, presented seven concerts during the tour. The itinerary included concerts at Kewanee, Buda, Galva high schools, Batavia junior high, Elgin Academy, Pullman United Methodist Church and at the Oakview United Methodist Church.

Fewer Jobs Offered To College Graduates

Job recruiters and interviewers traveling to university campuses this year are reportedly bringing with them fewer jobs to offer the 1970 graduates. "Employers' moves are down," noted Herall Largent, director of Southern Illinois University's placement service at Carbondale.

Largent cited one company which had been making 3000 job offers per year, but will only make 400 this year.

A decrease was noted in the number of interviewers who visited SIU. Largent cited a 1.06% decline in the number of recruiters from business and industry who interviewed this year in comparison to last year. Another decline of 3.9% this year over last year was noted in the number of educational institution interviewers who interviewed on campus.

'Seven' to Play at 'Y' Teen Town Friday

The local YMCA Teen Town will feature "Seven" at its weekly dance Friday night. The group played before a very large crowd the last time they played at the "Y" on April 18. The dance will be held in the gym from 8:30 p.m. to 11:30 p.m.

"Purple Martin" has been booked to play on Saturday, May 23.

Six GC Students Named James Scholars at U.I.

Six Granite Cityans among the 842 new freshmen entering the University of Illinois at Urbana-Champaign have been accepted into the Edmund J. James honors program for superior undergraduate students.

They are Michael Czornog, 50 Bermuda lane, Paul M. Doroughan, 4027 Stearns avenue; Dennis P. Kelahan, 1701 Mitchell avenue; John R. Klesh, 97 Riviera drive; Connie K. Koester, 2415 Delmar avenue; and Dennis A. Schweertman, 2382 Indiana avenue.

Designation as a James Scholar is the highest academic honor that can be conferred on a freshman entering the U. of I. and students are chosen on the basis of an outstanding high school record, high general scholastic aptitude for college work and an earned reputation for seriousness of purpose, persistence and self-discipline in academic endeavors.

The program is named in honor of Edmund James, U. of I. president from 1906 to 1920.

Students may leave the program when they wish. However, continued membership is dependent on active participation in honors work and maintaining a B-plus grade point average.

Workshop on Gifted To Be Held in Summer

A summer institute on the education of the gifted will be held June 15 to July 10 at Southern Illinois University-Southwestern.

The workshop is for Region V, including the counties of Calhoun, Jersey, Greene, Macoupin, Montgomery, Madison, St. Clair, Clinton, Bond, Washington and Monroe.

Eight quarter hours of credit may be earned for the workshop which is called Special Education 518.

Major emphasis in the program will be individualized instruction, including organization patterns, program development and teaching strategies. Class will meet from 8:30 a.m. to 4 p.m. Mondays through Fridays.

Included on the staff is Richard Brinkhoff of Granite City, director, Service and Demonstration Center.

Drug Abuse Problems Outlined at Seminar

An average of 100 persons were on hand at sessions of a day-long public seminar on drug abuse Saturday at Granite City high school.

Various aspects of the drug dilemma were presented, with comments made by former drug addicts, law enforcement authorities, sociologists and a circuit court judge.

Held primarily for youths, the chairman of the event was John Harzail, a junior and vice-president of the Student Council at NCIS.

Speakers included Pete Carich, moderator; Circuit Judge James O. Monroe, Dennis Nicholas, chief assistant deputy sheriff of Madison county; Jack Peoley of Narcotics services and Irving Miles of Coordinated Youth Services. Films were shown and informational material was distributed.

Designation as a James Scholar is the highest academic honor that can be conferred on a freshman entering the U. of I. and students are chosen on the basis of an outstanding high school record, high general scholastic aptitude for college work and an earned reputation for seriousness of purpose, persistence and self-discipline in academic endeavors.

Leadership Club Holds Ozark Weekend Outing

The Advanced Leadership Club of Granite City high school attended a three-day vacation at Trout lodge in Potosi, Mo., over the weekend, enjoying a variety of activities and electing a president to serve for the 1970-71 year.

The trip was made by bus which left the school Friday and returned Sunday afternoon.

Among the activities available to the girls were horseback riding, canoeing, swimming, checkers, ping pong, softball and other games. Club members were divided into committees to plan short programs for all members and chaperones.

Committees included, for Friday, Barb Azari, Diana Owens, Barb Davis and Pat Huff; Saturday morning, Layern Prill, Pamela Sikorski, Donna Boyd and Val Law; Saturday afternoon, Sheryl Blockberger, Mary McCarty and Kathy Affolter.

Officers composing the Saturday evening committee were Kathy Kula, president; Ruth Neeth, vice-president; Lynn Jacobsmeier, treasurer; and Linda Singer, secretary.

Debbie Portell, Bev Henderson, Jan Hesselndenz and Paulite Beede were in charge of religious services held in Danforth Chapel Sunday morning.

Expenses for the trip were paid through the year at events such as work days and donations at coat checks.

Frank Kessler, senior, named the general chairman for all preparations.

9 Students Named to National Honor Society

Nine Venice high school students have been chosen as members of the National Honor Society, Venice chapter. They are seniors Linda Zvezia, Virginia Irby, Kathy Bradley, Patrick Foley and Kathleen Scaturro; and juniors John Schodroski, Pamela Irby, Linda Devany and Elizabeth Fields.

Chosen as junior members were Maria Brawley, Kim Boelling, Linda Durer, James Olenford, Joan McGarrahan and Edie Smith, all sophomores. The junior members are selected during their sophomore year and become regular members during their junior year if their grades rank them in the highest 15% of their class.

The National Honor Society is sponsored by Robert L. Hendrickson, foreign language teacher.

Book on State Data To be Distributed

Students throughout Illinois in the sixth, seventh and eighth grades, are soon to receive an introduction to the basic concept of state government and the people who operate their government in a new 120-page "Handbook of Illinois Government."

The book was compiled by Secretary of State Paul Powell.

The paperback volume, more than a year in production, contains a brief history of the state, a digest of the legislative process, a current roster of members of the Illinois Senate and House of Representatives, together with up-to-date facts and figures.

The booklet, additionally, contains articles on Illinois State government, the election process, the Constitution of the State of Illinois (1870), and a description of the Office of President Pro Tempore and Speaker of the House.

Students at SIU-SW Elect Officers

Dennis Jolly of Granite City was among seven students elected to serve as senators.

Lewis-Clark Pilgrimage Set for This Weekend

The Lewis & Clark Society of America will hold a pilgrimage for Girl Scouts on Saturday and for Boy Scouts on Sunday at the Lewis & Clark Memorial park.

The programs will begin at 2:30 p.m. both days. On Saturday the Rock-a-Billys, led by Dennis Carroll, will lead off with country and western music. Girl Scouts are to arrive at 3 p.m. and will be welcomed by Mrs. Bernice Klunk of Wood River, president of the society.

Elmer Hart of Wood River will be master of ceremonies. Donald Lewis, society historian, will discuss highlights of the Wood River encampment of the Lewis & Clark expedition.

Indian dancers from Boy Scout Troop 44 of Roxana and music will be featured. Special guests will be U. S. Rep. Melvin Price, State Sen. Merrill Otwein, State Rep. Sam Vadala, Dan Malkovich, acting director of the State Conservation Department and Wood River municipal band directed by Kenneth Smith. The rest of the Saturday activities will be repeated.

Special guests Sunday will include Wilbur Trimpe, county superintendent of schools; Wil-

lis Pickrell, representing the office of the state superintendent of public instruction, and the mayors of Roxana and Hartford.

It was announced that the Cahokia Mound Boy Scout Council application for national listing of the pilgrimage meets historic trail specifications and has been approved by the Boy Scouts of America. The trail now is added to the list of trails meeting national specifications.

Four-H Moonspinners Studying Knitting

Spring plans were made by the 4-H club at its May meeting, May 7 at the Nameoki Presbyterian Church. Leaders of the club are Mrs. Eleanor Kozielek and Mrs. Carol Davis. Other mothers present were Mrs. Uram, Mrs. Schmidt and Mrs. Mann.

Anne DeRuntz opened the meeting and pledges were led by Mary Beth Vesel and Janice Gaudreau. Roll call was taken by Dawn Portel.

The leaders reminded the members that all enrollment cards should be returned to the

office by May 16. A discussion was held regarding completion of projects in knitting, sewing and cooking. Tips and techniques for good demonstrations also were discussed.

Knitting classes for the club will take place at Mrs. Davis' home, 1421 Norwood drive, this evening and Thursday, May 28. Demonstration were given by Mary Beth Vesel on "Chocolate Chip Oatmeal Cookies" and by Kathleen DeRuntz on "Peanut Butter Kisses." Laura Jean Mann presented a "visual talk" on "Cheese Buying," using pic-

Shriners Hospital Tours, Program Scheduled Sunday

Shriners Hospitals, acknowledged among the finest in the world, will open their doors to the public Sunday in observance of International Shrine Hospital Day.

One of the 22 in North America is the Shriners Hospital for Crippled Children, 2001 South Lindberg Blvd., St. Louis, where the public is invited for a special program and tour starting at 2 p.m. Sunday.

Almad Temple Potentate Edward G. Maag said entertainment will feature a performance by the Black Knights Drum and Bugle Corps of Belleville, numbers by the Kansas Girls' Chorus and antics of Shriners clowns from several temples.

Guided tours will begin at 3 p.m., and refreshments and

Granite City PRESS-RECORD
Page 30 Thurs., May 14, 1970

music will be provided on the rear patio at the hospital.

Potentate Maag explained Shriners hospitals are for children with orthopedic problems or severe burns and are operated by the Shrine of North America for young patients whose parents are unable to pay for treatment—regardless of race or creed.

Regular public school education by qualified teachers is provided for first to ninth grades by the local school district to permit patients to keep up with their regular classes. "You can say," Maag pointed out, "that a Shriners hospital is a hospital, a school and a home—all under one roof. Play and life are part of every child's life, and throughout all Shriners hospitals there are recreational facilities—toys and games and hobbies and handicraft activities."

Complete facilities also are

provided for treatment of children whose conditions do not require hospitalization. Special examining rooms and separate physical therapy rooms are available with x-rays, casts and braces all furnished without charge.

Admissions procedure is the same for all patients, Maag continued. The child must be under 15 and there must be a reasonable possibility that treatment will benefit the child. Infants are admitted regularly, particularly to the clinics with parents taking them home after each visit.

Any Shriners can provide a prospective patient with an application to be filled out by the parents or guardian, the attending physician and the sponsoring Shriners. A form may be

obtained by writing to any of the Shriners hospitals or temples.

An application form must be accompanied by a birth certificate or affidavit certifying the child's age.

With an application approved by the hospital board of governors, instructions are sent to the parents. Everything is provided for the patient without cost to the family, including clothing, toilet articles, laundry, linen, food, dental care, braces, crutches and other necessities, in addition to complete medical treatment.

Maag said the Shriners founded the first hospitals 47 years ago and have assisted thousands of children for a healthier and happier life.

Parents to Register Children in Venice

Pre-registration for head start and kindergarten pupils at Venice grade school will be held from 9 to 11 a.m. and 1 to 3 p.m. Monday, Tuesday and Wednesday of next week in the school office.

Pupils in the two groups should be five years old on or before Dec. 31, and parents are required to present birth certificates at the time of registration.

Kindergarten and first grade pupils of the school will hold a special program, "Big Top Circus," at 10 a.m. Friday at the school. The teachers are Mrs. Lena Rush and Mrs. Helen Pier. The public is invited.

Christian Science Board

Names Welz as Editor

The election of Carl J. Welz of San Francisco as editor of The Christian Science Sentinel, and The Herald of Christian Science has been announced by the Christian Science board of directors.

Welz, who will assume editorship Aug. 1, served as an associate editor from 1961 to 1967, when he resigned to resume the fulltime public practice of Christian Science. A graduate of San Jose State College, California, and of Teachers College, Columbia University, he engaged in educational work for several years. During world war II he served as a squad commander, with the rank of major. For five years he was chaplain in the Air Force.

Parking Meter Revenue Drops Sharply in April

Revenue from parking meter operation in Granite City during April amounted to \$9681, of which \$3000 was in meter fees and the balance of \$6681 in fines collected for meter violations, Homer Pendleton, city clerk, reported today.

April meter income increased to \$4,718 the total in fees and fines collected by the city during the first four months of this

year, a decrease of \$514 below total collections for the same period a year ago. Revenue for the first four months of 1969 amounted to \$15,232, records show.

Parking meters operated 26 days during April, providing a daily average income of \$141, according to the report.

Collections during April were the second lowest for any month so far this year, exceeding only the month of January when fees were only \$2300 and fines amounted to \$441 for total collections of \$2741. The April income this year was a substantial drop below that of the same month a year ago when total collections were \$4713. Meter revenue in April 1969 included \$3650 in fees and \$1063 in fines.

Youngsters Paintings On Display Downtown

Oil paintings by a group of students in the fifth and sixth grades, and junior high sponsored by the Granite City Chapter of the National Association for Gifted Children are on display for the next ten days in the windows of Fleishman's Men's store and Heiman's Dress shop in downtown Granite City.

Mrs. Anna Madrid serves as instructor for the young people on a volunteer basis.

Youngsters with paintings in the exhibit are Diane Marcus, 11, Tom Mueller, 12, and Jo Marie De Runtz, 11, all students at St. Elizabeth school; Eric Krause, 13, and Bruce Sikes, 15, Coolidge junior high; Trudy Thalman, 12, Lake school and Paula Kohl, 11, St. Margaret Mary school.

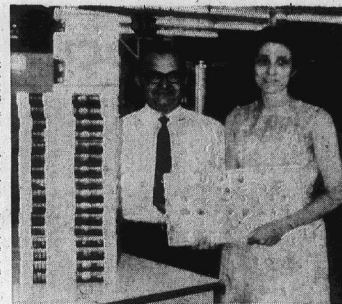

Two Houses Damaged, Neighbors Squabble

Guy McWhorter, 2255 Edison avenue, reported at 7 p.m. Monday that front and rear houses he owns at 2227 Monroe street were damaged following a neighborhood argument.

He said that in the front house an upstairs window was broken, wiring in a closet was torn, kitchen plumbing was torn out, a commode seat was torn off, wiring to the furnace was cut and a sump pump was torn out, and that a front window was broken in the rear house,

Tear Gas Routs Patrons

A tear gas pellet was shot out of the Red Barn restaurant, 3030 Madison avenue, causing customers to run out, it was reported at 7:45 p.m. Monday. A youngster was seen running from the parking lot entrance and entering a blue auto with the name "Six Pack" printed on the side.

LUCKY WINNER of a modern reference encyclopedia set from the newly-opened Tom Boy Store at 4610 Pontoon road, is Mrs. Pauline Perkins of Granite City. Richard Johnston, owner of the super market is making the presentation.

Summer Swim Classes Start June 1 at YMCA

The local YMCA will begin its summer swimming instruction classes on June 1st. Six two-week sessions have been scheduled for those youngsters interested in learning how to swim. A complete schedule of swimming classes and other summer programs will be available at the "Y" the last week of May.

"More than 2800 people drowned last year. Most of them never intended to go into the water in the first place—either they were involved in a boat sinking or they slipped, tripped or fell into the water," Charles Hasse, YMCA youth director, pointed out.

"Learn to swim to save your life," Hasse continued. "That is the first rule of water safety and besides learning to swim there are seven other YMCA rules for safety in the water."

"Never swim alone. It's dangerous, nearly half of all drownings happen when people swim alone. Safety in numbers works in the water too."

"Don't take foolish chances. Look before you leap. Always wade into unfamiliar water, or lower yourself in gently. Teach youngsters this. It can prevent serious injury. Know your limitations. A swimmer gets into trouble because he doesn't know his limitations or doesn't recognize them. Do not try to swim farther or longer than you safely can, and do not be dared into trying it."

"Obey warning signals; they are very important. Signs tell of many hidden dangers, water too shallow for safe diving, strong currents, debris, pollution."

"Keep an eye on the youngsters. They can wander into danger very quickly. Be wary of water wings, innertubes, or

other floating aids. They give a weak swimmer a false sense of security and can dump them into deep water or carry them beyond easy reach.

"Swim in protected beaches and pools—ones with trained life guards, rescue equipment and other safety features. Private pools are no exception. They should be watched over by a skilled swimmer when in use, and fenced in and locked when they are not."

"Following the rules will give you maximum fun and safety in the water," Hasse said. "The 'Y' is here with swimming programs the year around."

Local ISES Office Seeks Summer Jobs for Youths

Gov. Richard B. Ogilvie has issued a proclamation designating this summer as "Summer Jobs for Youth Time," according to Malcolm A. Thompson, manager of the local Illinois State Employment Service. He has urged industry, labor organizations, public and private agencies and community officials to cooperate toward making "Summer Jobs for Youth" a success.

"Toward this objective, I am calling upon and urging all citizens and employing enterprises to look about their stores, plants, offices and home for opportunities for these young adults and to list such job openings at an early date with their local Illinois State Employment Service," Ogilvie said.

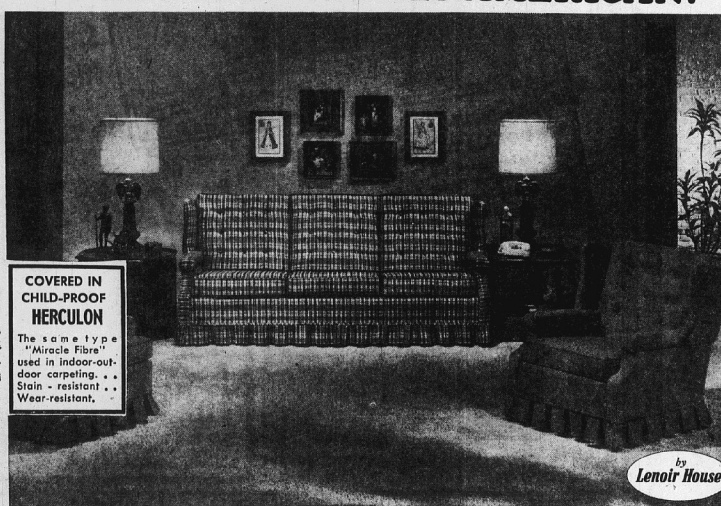

The Illinois State Employment Service has just started its annual drive to develop summer

jobs for Youth, Thompson said. Many youths have already applied at the local ISES office for summer jobs, but many will be disappointed unless employers find jobs for them, he said. Thompson said many youths will have to terminate their employment if they do not find employment.

Suggested jobs for summer youths are lawn care, minor clean-up around the house or plant, clerical, pitch-hitting for vocational regulars, increased work-force for expanded seasonal activities and a variety of other jobs.

There is no cost or obligation to employers or applicants for the assistance provided by the Illinois State Employment Service. The local office is located at 2050 Iowa street. The telephone number is 877-0810.

CHRISTENING CEREMONY HELD THIS WEEK

Laura Ann Fellers, daughter of Mr. and Mrs. James Fellers of Oklahoma City, Okla., and granddaughter of Mr. and Mrs. John Fryntko of Granite City, was christened, this week, in ceremonies at the Nativity of Virgin Mary Church, 416 Ewing avenue, Madison.

Mrs. Fellers is the former Marie Fryntko.

Father Walter Lecko officiated at the service. Godparents were Richard Thompson of Oklahoma City and Mrs. Jeanne Fryntko Martinovich of St. Louis.

Printed service forms, prepared by Mrs. Ruth Tedesco, were given to the congregation so they could participate in the service. Responses were sung by the choir members under the direction of Mrs. Vladimir Fryntko.

A buffet dinner was served to those present in the church rectory hall following the ceremonies.

BIRTHDAY PARTY FOR MICHELENE KARNAGES

Michélene Karnages celebrated her fifth birthday this week at a party given by her grandparents, Mr. and Mrs. Joseph Prince.

Yellow and white spring flowers decorated tables and a large cake in the same colors were flanked with yellow candles.

A buffet dinner was served to Mr. and Mrs. Julian Pastain, Mr. and Mrs. John Prince, Mr. and Mrs. Amelberg, Mrs. Jeanette Loyt, Mr. and Mrs. Claude Echols, Mrs. Ruth Denton of Virginia, Mr. and Mrs. Richard Podnar, Mrs. Mary Kay Hanne, Miss Carole Buster, Miss Judy Kraus, George Papa, Ralph Kern, Mrs. Edna Ragdale, Mrs. Elaine Ray, mother of the honoree, Noel Prince, Cherie Lynn Hanne, Clifford Loyt, Rita Herzog, Stephen Prince, Paul Herzog, Kent Herzog, and Dawn Renee Ray, and Mr. and Mrs. Joseph Prince.

RETURNS FROM TRIP TO CALIFORNIA, HAWAII

Mrs. Gertrude Rill of 1740 Ferguson avenue has returned home after a vacation trip to California and Hawaii. She was a guest of her son and daughter-in-law, Mr. and Mrs. Edwin Rill and family, in Sacramento for three weeks and then took a 10-day tour of the Hawaiian Islands.

Among the points of interest visited were Honolulu, Pearl Harbor, the sugar cane fields and pineapple farms.

County KC to Observe May Day on Sunday

The Madison County Chapter of the Knights of Columbus, consisting of members of all the H of C Councils of Madison county, will receive Holy communion at the 9:30 mass at St. Mary's Church in Edwardsville on Sunday, May 17, the occasion being the annual May Day celebration.

According to Mike Schuler, Grand Knight of the Tri-Cities Council, there will be a large delegation from here to make the trip and participate in the mass, receive Holy communion, and attend the breakfast, which will be held in the church cafeteria.

District Marshal Gene Jette of the Highland Council and Chapter Marshal Edward J. Weaver of the Alton Council, will lead the Fourth Degree members of various councils in a parade from the school to the church, dressed in full parade regalia.

Louis G. Rupp, president of the Madison County Chapter, has arranged to have as the speaker, Dr. Nicholas Nyaradi, former Minister of Finance of Hungary, and now Director of the School of International Studies of Bradley University.

Six Teaching Posts Created

Approving recommendations by Supt. Bob J. Davis, the Granite City school board Monday night established six new faculty positions for the 1970-71 year.

It is planned to fill administrative and principal vacancies at the May 25 board meeting.

Supt. Davis gave the following explanation of the six added teaching posts:

"Due to increased enrollments in the industrial arts—vocational shop and business education areas, we need to create two new positions at the secondary level—

"1. Industrial Arts—Vocational Shop, 2. Business Education. "The anticipated completion of the new physical education building will require two additional positions to our staff at the high school—

"3. Boys' physical education, 4. Health Education.

"With the ever-expanding special education area, we need to add the following positions—

"5. Multiply Handicapped. We have one class with the limit (10 students) and have four on the waiting list.

"6. Oral Deaf. Presently we are sending seven children to other districts—two to East St. Louis and five to Roxana. We would begin with five in the primary age group. These classes can enroll a maximum of eight. Supervision will be given by Mrs. Joan Gregory, educational supervisor of the Bi-County Oral-Deaf Program."

Driver Fined, Jailed

Harold Ballentine, 29, of 2100 Delmar avenue, was fined \$150 plus \$10 costs and was sentenced to seven days in the Madison county jail Monday on a charge of driving without a valid operator's license. He was arrested at 3 a.m. Saturday at 21st street and Delmar.

SCOUTING OLD-TIMERS, including some of those pictured here, will talk over "the good old days" Saturday when they gather at the Cahokia Mound Boy Scout Council historical booth at the Scout-O-Rama in the Wilson Park ice rink. The youths are shown pulling a "trek cart" of supplies over the five miles

between Ironton, Mo., and Camp Rankin in 1918. From left to right are Ed Pauly (partly shown), Bob Hoevel, Sid West, Byron Caldwell, Howard Strunk, Ralph Frohardt, Ray Morgan, Bill Richards, Frank Hellmich, Hayden Chappe and George Gergeceff.

\$1.2 Million Values In New County Building

Ninety-one building permits listing values totaling \$1,204,028 were issued for new construction in unincorporated areas of Madison county during April, according to the office of Jack R. Clifford, county building official.

Included were 49 homes, \$937,560; 27 additions and garages, \$77,218; eight for business purposes, \$133,200; one advertising sign, \$3,000; two miscellaneous, \$850; and four to raise structures.

Station Window Broken

A rear window was broken on the south side of the Bell service station, Edwards street and Washington avenue, it was reported at 7:25 a.m. Tuesday.

Local Doctor Tours Russia; Finds Primitive Conditions

General impressions of life in Russia with specific emphasis on the role of the Soviet physician in Russian society and the type of medical facilities available to the average citizen were reported this week by Dr. Harold E. Toussaint, a local obstetrician and gynecologist who returned recently from the Soviet Union.

"Everyday life is extremely primitive in the Soviet Union relative to our society, comparable perhaps to the 1930's by U.S. standards," Dr. Toussaint said, however, that fairly good medical care is available to the Russian citizen.

Analogous to the private physician's office here is the polyclinic system used in Russia, the local doctor said. Other than in an emergency situation, a sick person in the Soviet Union goes to a polyclinic where an estimated 80% to 85% of those treated are sent home, similar to an office call.

The remaining patients are assigned to appropriate hospitals that specialize in the type of ailment requiring treatment. For example, he noted, certain hospitals are equipped to handle only surgical - orthopedics,

while others concentrate on obstetrics and gynecology.

Seriously ill patients may be referred to highly-specialized medical research centers, where the most difficult cases are processed.

During the two-week tour, arranged by the American Medical Association, Dr. Toussaint visited Moscow, Leningrad and Kiev in the U.S.S.R., Budapest in Hungary and Prague, Czechoslovakia. About 45 physicians, their wives and children were in the 114-member tour group.

Interviews were arranged with Russian physicians, most of whom were in the 45-50 age category and all well informed in their professional field, Dr. Toussaint said.

He noted that fully 60% of all physicians in the U.S.S.R. are women, 93% of all OB-GYN doctors are female, as are all doctors practicing pediatrics. Most doctors in the surgical field are male, he added.

Certain areas of medicine are poor compared to U.S. standards, Dr. Toussaint commented, while other medical services offered the Russian citizen are closely allied to our own. He noted that the common

cancer screening procedure—a Pap test—used universally and proved extremely effective in detecting cancer in its early stages in women is not used at all in Russia.

Many Old Structures Most medical buildings in the U.S.S.R. are older structures and the equipment appears inferior to that available to American physicians, the doctor said.

Within the Soviet Union, the group was escorted by Intourist, the National Soviet Travel Bureau, and the delegation traveled by Aeroflot, the Russian airlines.

In general, Dr. Toussaint said, most Russian families are limited to one or two children, primarily by their own choice for economic reasons. They neither have the space in which to rear a large family nor the money, he pointed out.

Prices charged for consumer goods are "outrageous," Dr. Toussaint said. The ruble is worth about \$1.10 in U.S. money and an average worker makes a monthly salary of 120 rubles. A black and white television, he noted, was priced at 300 rubles, and shoes and clothing are equivalently high.

Housing costs only 4% of a worker's income, but homes are substandard to ours and the majority of families live in one and two-room apartments. Even in the newest apartment buildings, families share bathroom space.

Keeping families small due to a shortage of living space and economic limitations mainly is achieved through abortion, the physician said. All a woman has to do is go to a doctor and tell him she wants an abortion. There are no restrictions, he explained.

In contrast to the Soviet Union, Dr. Toussaint found Budapest "A very beautiful city. The Hungarian is much more liberal in his thinking and the programs are not as restrictive as in Russia," he said.

There were language difficulties in questioning Soviet physicians during interviews, the Granite City doctor commented, but they seemed well informed about us and far more interested in presenting what they are

doing than in learning anything from our group.

Dr. Toussaint captured many of the highlights of his trip on film and slides and will present a program to the Tri-City Medical Society on May 26. He also plans to address the Mariners group of Namekoi Presbyterian Church and is willing to share his experiences with other interested organizations, he said.

Kiwanis Hear Talk By Chief Teltor

George Teltor, assistant police chief of Granite City, was the guest speaker Monday night at the Kiwanis dinner meeting at the Rose Bowl.

He spoke on "Law and Order," emphasizing the qualifications required of a policeman in the local force today. He said, "The police department needs public support and appreciation to make their efforts more beneficial now and in the future."

A brief business meeting was conducted by the president, Norman Hall, and final details were announced for the teachers appreciation dinner to take place next Monday at 7 p.m. at the Rose Bowl. Guests will include wives of the members in observance of ladies night.

The featured speaker will be George Hunter of Wrb radio station, who will outline the history of radio from its beginning to the present time.

Heavy Schedule For Classes at SIU-SW Campus

The educational day at SIU-SW begins at 8:05 a.m. and runs until 10:30 p.m., Monday through Friday. Saturday classes are scheduled until noon. The campus has one of the highest classroom usage rates of all state-supported universities in Illinois, chancellor John S. Rendleman said today.

Enrollment restrictions may be continued beyond the next academic year, since the process of planning, financing and building a classroom building takes at least three years.

Classroom construction has been halted on the new campus by Gov. Ogilvie's freeze order on state-financed capital improvements. SIU-SW has received legislative approval and funding for two additional classroom buildings. Architectural plans are complete and ready for bidding, but bids can not be sought until the governor lifts his freeze order.

Richard E. Melton Training at Lackland

Richard Eugene Melton, a former Granite Cityan, is undergoing basic training with the Air Force at Lackland AFB, Texas.

When you buy any Impala V8 model during our 400" Sale, here's how you can get two popular extras at no extra charge. **Order the options you'd probably order anyhow.**

A Turbo Hydra-matic transmission, radio, Comfortor steering wheel, front and rear bumper guards and white stripe tires. All popular items that you'd likely want—sale or no sale.

And for nothing extra get a bigger 400-cu.-in. V8 engine and dual exhausts.

That's the deal. For no extra cost we add our big 265-hp V8 engine that runs on regular gas, along with a dual exhaust system. (The manufacturer's suggested retail price including Federal excise tax for the

regular fuel 400 V8 and dual exhausts is \$93.75.) But that's only the beginning. Because your Chevrolet dealer is really anxious to deal these days.

You save when you buy it. You save when you drive it.

The Impala you're buying got to be America's No. 1 car because of all the value features built right in. Features like flush-and-dry rocker panels that fight rust. Inner fenders to protect the outer fenders. Long lasting bias belted ply tires, steel side

guard beams in every door for added protection, an acrylic lacquer finish over its solid Body by Fisher.

Impala's traditionally high resale value. You're getting America's No. 1 car on sale. The car more people buy—year after year.

On sale. How can you beat that? **Putting you first, keeps us first.**

Right Car. Right Price. Right Now.

Depot Employees Reveal Effects Of Closing Order

Additional statistics on a poll conducted among employees of the Granite City Army Depot concerning closing of the depot were announced today by Gilbert Novotny, president of the executive board of the Save Our Depot Association Inc.

In response to the question "if the Army has to make a budget cut what alternate solution would you propose for it other than closing the depot for saving Federal Funds?" Write-in answers follow.

Reduce the number of supervisory personnel, 32%; cut the space program, 24%; reduce or eliminate foreign aid and overseas spending, 22%; improve management systems or provide better managers, 7.8%; reduce or eliminate our commitment in Vietnam, 7.6%; and reduce a number of personnel at all depots in lieu of closing the GCAD only, 6.5%.

In response to a question to describe other personal problems of the depot closing, the employees answered as follows: Loss of credit, 44.1%; locate a new family doctor, 21%; loss of money invested in real estate, 9.8%; unreasonable commuting distance to a new job, 8.7%; starting a new career after age 45, 7.7%; and problems related to children in school, 7%.

Other write-ins which could not be reduced to percentages included the following comments.

Reduce the number of people employed in the Pentagon. It would cost more to close the depot, with all factors considered, than leaving it open. The large number of employees who would be too old to find employment elsewhere but ineligible for retirement with full annuity.

Seriously Wounded GI Arrives on 1st Leave

Army Pfc James Michael Morgan, 20, seriously wounded Jan. 19 when shot by an enemy AK rifle fire while on patrol in Vietnam, is home on his first convalescent leave. He is the son of Mr. and Mrs. James Morgan, Rural Route One, Box 1238. Pfc Morgan suffered a serious stomach wound, requiring two operations at the 47th Surgical Hospital at Chu Lai, Vietnam, before air evacuation to a military hospital in Japan. Since March 4, he has been a patient at Fort Leonard Wood Army Hospital, where he will return following his current leave to undergo additional surgery.

Pfc Morgan was on a reconnaissance patrol with his unit, part of the 11th Infantry Brigade, near Chu Lai when he received the wound. He had arrived in Vietnam last Nov. 4.

A 1967 graduate of Granite City high school, the soldier was employed in the blast furnace division of Granite City Steel Co. before enlisting in the service last June.

\$196 Million Public Aid Boost Due to Inflation, More Cases

(Springfield Scene)

An \$836 million appropriation for the Department of Public Aid has been approved by the Senate Appropriations Committee after a three-hour hearing.

Attempts were made to add additional caseworkers and clerks to handle the heavy Cook county caseload but were unsuccessful.

The appropriation represents a \$196 million increase in the Public Aid budget over estimated expenditures for 1969-70.

Of the total, \$295 or \$789 million is for public aid grants and distributions while \$54 or \$64 million is for administrative expenses and \$5.3 million is for experimental projects (which came under heavy fire by the Senate committee).

Department officials testifying before the committee said significantly rising caseloads and "the persistent upward trend in costs of goods and services are the major factors causing the increase in both distributive and administrative items."

The main increases outlined by the department are:

- Aid to Families with Dependent Children...Up \$84.4 million
- General Assistance...Up \$56.1 million
- General Assistance...Up \$26.5 million
- Aged, Blind and Disabled...Up \$17.4 million

Public Aid Director Harold Swank noted that except for anticipated increases in state and federal hearing allowances, "the appropriation does not contemplate any elevation in the cost of the standard of living provided families and individuals."

The extremely complex Environmental Protection Act (H. 9788), which could have a far reaching impact on the Illinois economy, is awaiting amendments on the House floor.

The main bill and a series of amending bills (H. 3298-3311 and H. 3323-3327) would give ultimate authority on all phases of pollution control to a five-member board appointed by the governor.

The Act also sets up three separate agencies, each with separate funding, and would not affect industry but farmers, feed lot operators, gas stations, restaurants and every individual business enterprise.

The five-member Pollution Control Board created by the Act would have the power to:

1. Set ambient air and water quality standards.
2. Establish emission standards.
3. Issue permits for construction, installation or use of any equipment, vehicle, vessel or facility.
4. Set user charges for the emission of air and discharge of water-contaminants.
5. Require standards for installation—by any person—of pollution abatement equipment.
6. Set standards for the sale or use of any container, bottle or other article determined to be an unreasonable burden for disposal.
7. Prescribe limitations on noise.

The Act supposedly is an attempt to centralize the pollution control forces but does not appear to eliminate the present confusion caused by the multiplicity of agencies and regulations imposed by county and local governments.

The main bill calls for establishment of a State Environmental Protection Agency under the Governor which would have the power to investigate and enforce provisions under the Act.

It also sets up a five-member Pollution Control Board appointed by the Governor to establish standards and conduct hearings on complaints and violations.

Another section establishes an Illinois Institute for Environmental Quality "to investigate practical problems relating to the technology and administration of environmental protection, to obtain, store and process relevant data, and to recommend legislative, administrative and technological changes and developments respecting environmental quality."

The act prohibits various practices for pollution of air, water, land and sound environment and prescribes standards to be set in each of these areas.

It provides for the Act to be handled through the Pollution Control Board first, with possible relief through judicial review.

It also prescribes penalties

not to exceed \$10,000 for violation of the act and an additional penalty not to exceed \$1000 for each day during which the violation continues.

In other action on pollution legislation, Senator Merrill Outwin introduced S. 1447-1448 which calls for a \$10 million anti-pollution bond act to be submitted to referendum in November 1970 to provide funds for local governments to upgrade waste treatment facilities.

Also introduced is a proposal for an Illinois Small Business Assistance Corporation (H. 3828) by Bernard J. O'Halloran, Chicago Democrat, which would be a quasi-public corporation to guarantee loans and subsidize interest payments on loans to small businesses to install, buy or lease pollution control devices and equipment.

Also cleared by the House Executive Committee was House Joint Resolution—Constitutional Amendment, 11, sponsored by House Speaker Jack Walker, Lansing Republican, to allow sales tax exemption on food and drugs.

The measure would cost an estimated \$250 million to the state, with no profit for replacement funds. It will be put on the November general election ballot.

It was passed by the House and Senate. The Constitutional Convention's Revenue Committee is considering a similar provision.

The House passed H. 3362 to increase the minimum penalty for improper divulging confidential tax information from a fine of \$1000 to \$10,000 and imprisonment from six months to one year.

The House Revenue Committee referred 14 other revenue bills including a number of income tax exemptions for various persons and groups, to a working subcommittee to be considered at a possible November session.

A series of three bills to establish a Local Property Tax Replacement Fund financing through income tax sharing has reached the floor of the House.

H. 3615, 3620 and 3621 would replace the floor of the House. H. 3615, 3620 and 3621 would replace the floor of the House.

The bill, which appropriates \$15 million for distribution to local governments in 1969-70, was voted out of the Appropriations Committee.

Even though the package does not nearly call for enough revenue to replace the estimated \$80 million to be lost by local governments next year, it is a step in the right direction.

If the bill's provisions were in full effect in 1971-72, it would provide not more than \$50 million when local governments would be losing about \$88 million.

The House has passed by a close 89-60 vote an act to allow counties to repeal the Gun Registration Act by a local referendum.

The sponsor, Rep. Gale Williams, Murphysboro Republican, also sponsored a bill during the first session of the 78th General Assembly to repeal the act, but it was vetoed by Gov. Ogilvie.

Leaders of both the House and Senate are considering amendment of the act during session to Nov. 16 for consideration of overriding vetoes and other emergencies.

The Senate Municipal Corporations Committee killed H. 1241, which would have allowed cities to annex contiguous land by court order, and H. 1283 and H. 1287, which would have allowed cities to annex contiguous land by court order, and H. 1283 and H. 1287, which would have allowed cities to annex contiguous land by court order.

H. 3375 setting up a responsibility law charging solvent insurance companies to cover policies issued by an insurance firm that becomes insolvent.

Mr. Nixon seems to refuse to want to be heard by us, and anyone wanting to be heard to call or write the congressman or representative. Hopefully, they will go to the President as a voice of the people.

Speak out, for we as citizens and taxpayers have every right

'Sunday in New York' Comedy Here Saturday

Several Granite Cityans will have key roles in the Masquers' production of "Sunday in New York," to be presented at 8:15 p.m. Saturday in the auditorium at Granite City high school. The Norman Krassa comedy was performed last weekend for Collinsville audiences.

Mrs. Beverly Scroggins of Granite City is directing the Masquers' final production of the current 10th anniversary season. A sixth grade teacher at Mitchell school, the director previously received the Masquer Award as "Best Actress of the Season" for her performance as Lili in "Carnival."

Miss Diane Nocheff, a third grade teacher at Marshall school, will appear in the role of Eileen Taylor in the "Sunday in New York" comedy. A versatile actress, she recently gave an outstanding performance as Miss Adelaide in "Guys and Dolls," the initial production of the newly-formed East Bank Players of the Quad-Cities.

Another Granite Cityan, Jay Frey, and Mrs. Ethlynn Tinney of Maryville, will portray the roles of five separate characters in Saturday's Masquer presentation. Mazy Barnett of Collinsville will play Mike Mitchell and Frank Joachimschaler of Collinsville will appear as Adam Taylor. Chuck Norris, also a Collinsville resident, will be seen as Russ Wilson.

Tickets for the comedy may be purchased immediately before showtime Saturday, at the local high school auditorium. Admission is \$1.50 for adults and \$1 for students.

Pentecostal Service At Central Christian

Central Christian Church will hold special services Sunday in observance of Pentecost Sunday. An all-church breakfast has been scheduled for 9 a.m., with Clarissa Start, noted author and feature columnist for a St. Louis paper, a speaker.

Special music, drama and Scripture will highlight Pentecost at the 10:45 a.m. worship hour. The choir, under the direction of Joseph Hanson, will sing "Amazing Grace" and "Vent Jests." Miss Judy Thacker will be the organist.

Sunday evening at 8 o'clock the congregation will gather for a "Thanksgiving in May" celebration, including a birthday cake commemorating the birthday of the church. The event will be in the nature of thanksgiving for the heritage of the church.

Mr. and Mrs. Delton Groot-huis will preside and Mrs. Lois Bilbrely will sing "My Task." Other features will be the showing of pictures and fellowship singing.

The committee in charge includes Mr. and Mrs. Warren Collins, Mr. and Mrs. Edward Lorton, Mr. and Mrs. David Parrish, Mr. and Mrs. Groot-huis and Rev. and Mrs. James Craddock.

Man Jailed, Fined \$125
Leroy Powell, 513 "R" street, State Park Place, was fined \$100 plus \$10 costs on a charge of driving with a suspended license, \$10 and \$5 costs on a traffic signal violation, and was sentenced to seven days in the Madison county jail Monday by Magistrate Mateosian. He was arrested at 3:30 a.m. Saturday at 20th street and Madison avenue.

Truck Tire Hits Auto
A tire of a tractor-trailer truck driven by Randall West, Searcy, Ark., struck the parked auto of Samuel T. Nickell, 2571 East 27th street, at 7:45 a.m. Tuesday at West 20th street and Missouri avenue.

How to mistake a Realtor for an anybody in real estate.

It's not easy. If you don't know what a Realtor is.

He's not just anyone in real estate. He's the professional. The one with experience and

expertise, who is pledged to the strict code of ethics of the National Association of Real Estate Boards. If he weren't, he couldn't be a Realtor.

That's good. Especially when he's work-

ing for you. Because you can relax, knowing your best interests are being taken care of, ethically, professionally.

There's no better way than that, is there?

YOUR REALTOR®

Someone Good to Have Working for You. A Realtor is a professional in real estate who subscribes to a strict Code of Ethics as a member of the local and state boards and of the National Association of Real Estate Boards. You can recognize him by his seal. "REALTOR WEEK" ... MAY 17-23

CLARA TANSLEY, AS ADMINISTRATRIX OF THE ESTATE OF STEVEN APPOONY, DECEASED.

CLARA TANSLEY; STEVEN APPOONY, also known as STEVEN APPOONY, "UNKNOWN OWNERS" and "UNKNOWN AFFIDAVIT FOR PUBLICATION" having been filed, notice is hereby given to you, Steven Appony, also known as Steven Appony, "Unknown Owners" and "Unknown Heirs," that a Petition has been filed in the Probate Division of the Circuit Court of Madison County, Illinois, by Clara Tansley, Administratrix of the Estate of Steven Appony, deceased, for the order to sell certain premises belonging to the Estate of said deceased or so much thereof as may be needed to pay the debts of said deceased, which premises are described as follows, to-wit:

Lot Eighteen (18) in Block Twenty-two of the Original Plat of Granite City, as the same appears on the plat thereof filed in the office of the Recorder of Deeds of Madison County, Illinois;

Section 2: That said real estate is now vacant and unimproved and is not being used by the said City of Madison for any purpose.

SECTION 3: That the best interests of the City of Madison will be served if said real estate is sold under the following terms and conditions, to-wit:

a. That said real estate be sold pursuant to and in keeping with Sections 11-7-1 and 11-7-2, Chapter 24, Illinois Revised Statutes (Cities and Villages) for cash.

b. That said real estate must be sold for industrial purposes, commensurate with the purposes and uses for which said real estate is located in the said Industrial Park as developed, and subject to all rules, regulations and ordinances pertaining and relating to Maers Industrial Park.

c. The purchaser of said real estate must put said site to an industrial use to be approved by the City Council.

d. The purchaser of the real estate will cause to be erected upon said site an industrial plant valued at not less than Two Hundred Fifty Thousand Dollars (\$250,000.00) and the construction of the industrial plant must be completed within six (6) months from the date that an instrument of conveyance is executed.

e. The City Council reserves the right to refuse and reject bids.

SECTION 4: That the City Clerk of the City of Madison, Illinois, is hereby directed to advertise said real estate and to give notice of the proposal to accept bids for the sale of the said real estate in manner and form as set forth in the Advertisement for Bids attached hereto; said Advertisement for Bids shall be published once a week for three (3) successive weeks in the Granite City Press-Record, the same being a newspaper published in the County of Madison, State of Illinois, said City of Madison is located in the County of Madison. The first publication shall be not less than thirty (30) days before the date set for the opening of bids.

SECTION 5: That bids for the purchase of said real estate will be considered and opened at the June 9, 1970 meeting of the City Council of the City of Madison at the hour of 8:00 p.m. in the Council Room located at the City Hall.

PASSED BY THE CITY COUNCIL OF MADISON, ILLINOIS, this 28th day of April, A.D., 1970.

APPROVED BY THE Mayor of the City of Madison, Illinois this 28th day of April, A.D., 1970.

Public Invited to View Collinsville Art Fair

The annual art fair, sponsored by the Collinsville Women's Club, will take place at the Collinsville public library, from 1 to 8 p.m. Friday, May 22 and from 10 a.m. to 5 p.m. Saturday, May 23. The event is open to the public without charge.

Mrs. Carl Von Brock, club president, said the art fair annually affords area professional and amateur artists an opportunity to exhibit their works to the public. Mrs. Robert Edmiston, chairman of the club's Arts and Crafts committee, is coordinating the exhibition.

Two Rods, Net Taken

Mike Halloway, 15, of 2025 Dewey avenue, reported to the Madison county sheriff's office at 7:20 p.m. Monday that while he was fishing at Crater lake near the A. O. Smith Corp. plant with friends, two persons in their early 20s approached and took his fishing equipment valued at \$8. It included two rods and a net.

YOUTHFUL MAYOR Mike Loftus (center) watches as Mayor Partney signs a proclamation for Barbershop Harmony Day, requested by Richard Pilch (left) of the Mississippi Valley Chorus of SPEBSQSA. Loftus was acting mayor during Elks Lodge Youth Day last week.

Barbershop Quartets Will Give Program Saturday

A concert of favorite barbershop harmonies will be presented at 8 p.m. Saturday May 16, in the Webster School auditorium, Collinsville, by the Mississippi Valley Chorus, Illinois Chapter of SPEBSQSA. May 16 has been proclaimed as Barbershop Harmony Day.

The chapter was founded by John Galloway on Jan. 28, 1969 with 13 men attending the first meeting, and became a chartered chapter of the International Society in December 1969. Present membership includes 42 men from Granite City, Troy, Edwardsville, Maryville, Collinsville and four from outside this area. George Holscher, formerly of Granite City, serves as the director.

Show Committee selected is George Chapman of Granite

City, general chairman; John Barsley, John Pigg, Dewain Nevins, Leonard Zeigewicz, Don Hadfield and Bill Miller, all from out of town.

Included on the show will be the Land of Lincoln Chorus from Springfield, Ill., that placed fourth in Illinois district competition last October.

Two Quartets also will perform on the show. The "Rail-splitters" of the Land of Lincoln Chorus and the "Gambol-Aires" from the Mississippi Valley Chorus.

Master of Ceremonies will be Walter "Porty" Portmann from St. Louis.

The International Society's unified service project is the Institute of Logopedics in Wichita, Kansas, and all proceeds earned from shows and concerts are forwarded to the Institute.

The Institute was founded in 1934 by Dr. Martin F. Palmer, Doctor of Science, to deal with the afflictions that inhibit normal speech in adults and children. To provide trained people to carry on this work throughout the world, and to assemble research material and facilities which will lead to new techniques and breakthroughs in the field of speech defects.

Average cost to maintain a child in need of total financial assistance at the Institute is \$466 per month, or \$14.88 per day.

Since 1934 more than 10,000 persons have been discharged from the Institute to play a useful role in society. Today, more than three children per day are released to society with adequate communication where previously there was none.

Barbershop harmony is produced by four voices unaccompanied, Galloway explained. The melody is usually sung by the lead. The tenor part, comparable to a high alto, is usually above the lead. Baritone and bass round out the four parts. Tickets for the concert this weekend may be obtained at the door or in Granite City from Joe Siebert by calling 877-2764.
